

Hartford Primary School

Sensory tools verses Fidget Toys

If School and Home have agreed on the need for a Sensory Tool in certain lessons/Inputs, we will agree to provide the following:

Silicone sensory stone or wooden

Silicone chew safe (lanyard style)

Reasons for sensory tools:

Obsessive nail or skin picking and Neurodiverse traits.

Fidget toys can be brought in for Playtimes and Treat time if a child likes them/collects them. Examples:

Some Classes have these for Wet Playtime.
