

Prime Area: Personal, Social and Emotional development (PSED)

Children will be supported to settle into their new registration/learning environment.

We will discuss and agree our class rules, linking to safety and looking after our peers and environment.

Children will be introduced to their Year 6 buddies.

Children will be encouraged to manage their own personal hygiene independently.

Children will be encouraged to further develop existing and form new positive relationships with others.

We will introduce our weekly PSE 'Think Equal' lessons.

R.E.

We will be learning about and celebrating Mary's birthday.

Children will learn about our catholic houses and will gain 'house points' linked to our schools Jesuit Virtues.

We will celebrate the feast day of St Margaret Mary

Specific Area: Expressive Arts and Design (EAD)

Children will have Junk Modelling available to create their own ideas as well as topic based objects.

Children will take part in weekly music sessions which will include singing and learning how to play new instruments.

Exploring paints, tools and colour mixing

Prime Area: Communication and Language (CL)

We will be focusing on good sitting and listening on the carpet, remembering our daily routine and school rules.

Children will listen to and discuss stories during Big Book time and story time, at the end of the day.

Children will discuss holiday news and weekend news, weekly. Children will be encouraged to ask and answer questions.

Children will take part in C&L sessions each week and explain their own ideas and opinions.

Autumn 1: Theme...

Helping Hands

Reception

Specific Area: Understanding the World (UW)

Children will discuss their family with their family groups and discuss similarities and differences in their family and between other families.

Children will collect leaves on an Autumn walk around the school exploring our local environment.

We will learn about and discuss different occupations and identify similarities and differences between jobs.

Prime Area: Physical Development (PD)

Children will explore the outdoor equipment and learn to play safely with tools such as skipping ropes, bats and balls, etc.

We will be practicing our fine motor skills in Fab5 through a carousel of activities such as letter formation, number formation, threading, scissor skills and dough disco.

Children can practise their gross motor skills by joining in with Go Noodle's dances and Cosmic Kids' Yoga.

We will begin to undress/dress independently for our new weekly P.E. lesson

Specific Area: Literacy (LD)

Children will take part in weekly Guided Reading sessions which focus on vocabulary, retrieval, sequencing, inference and predicting.

Daily phonics sessions following our Little Wandle phonic scheme

Each week we will read fiction and non-fiction books relating to this term's topic e.g. Real Superheroes, All About Things People Do. We will practise our reading and writing skills through activities such as name writing, labelling and writing lists

Specific Area: Mathematics (M)

Children will learn all about numbers 1 to 3 (Number of the Week) and explore the numeral in the environment, composition of numbers and subitise up to 3.

Children will sort objects, verbally compare amounts, compare by size, mass and capacity.

Children will learn about pattern, including continuing and creating 2 step patterns.
