

Pear Tree Primary School

Newsletter 7 - 17.10.25

We are nearing the end of our first half term and it has been another busy week! Sports competitions have continued this week and, as always, our children have made us proud with their efforts and attitudes. Our theme for this week has been 'aspiration' and this has certainly come through in the way the children have conducted themselves in lessons and competitions.

Prefects

Introducing our full prefect team...

Following our post on social media, we have had further applications to expand our prefect team. We were very impressed with the applications that were submitted and the enthusiasm that was shown to support the school. Our Head Prefects, Abi, William and Cara, are looking forward to leading the team and prefect duties have already begun! Well done to all of the children involved.

Red Class

Red Class have been busy practising their fine motor skills this week. We've been using tweezers to pick up conkers - it was quite tricky but we were resilient and there were lots of giggles! Super learning, Red Class!

YELLOW CLASS

Yellow class have been enjoying their gymnastics lessons. We have been using apparatus to traverse along in different ways and balance on patches and points, with a focus on curving our bodies or stretching as we go. We have also developed our confidence with rolls to traverse with or to dismount with. Our confidence with the equipment has really come on, as well as pushing ourselves to take risks and try new skills.

competition

Our year 5/6 Gymnasts took part in a competition at LS Gymnastics in Crewe. Everyone nailed their routine, smiled and enjoyed themselves. We achieved 3rd place in individuals and 2nd place in the team event. Well done pears, we are super proud of you!

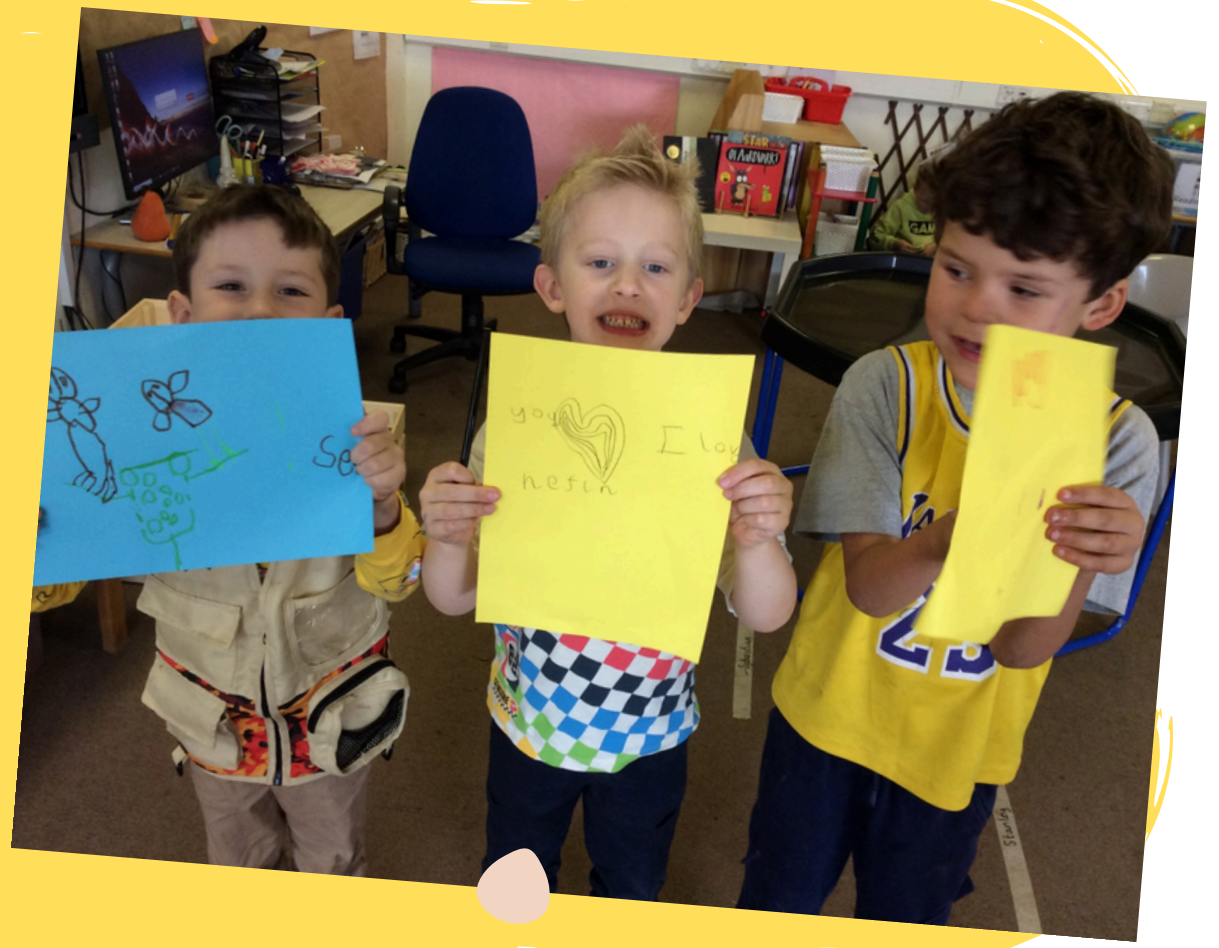

BLUE CLASS ON TOUR!

Blue Class enjoyed a lovely day around Nantwich Lake and in the museum. We learned all about the salt lying under the town and how important this was to the history of Nantwich (and had a quick game of poohsticks). We then became scientists and completed two fun activities: we purified rock salt to make our very own edible salt and then we tested the salt levels in different samples of water. We found that the brine that comes from springs right in the middle of Nantwich is at least five times more salty than sea water.

#HelloYellow

Thank you to everyone who supported and donated to our Hello Yellow fundraiser. We raised £117 for Young Minds, well done!

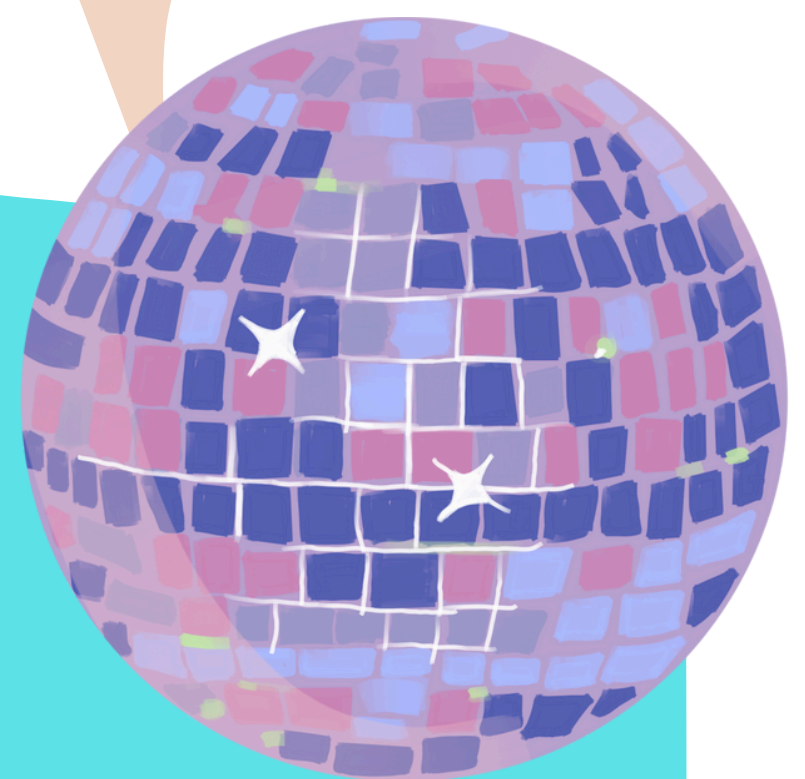

PE Uniform

We have noticed some children coming into school in branded hoodies for PE. Please can we ensure that any PE uniform is either emblazoned with the school logo or plain black. Thank you for your support with this matter.

We would like to say a huge thank you to our wonderful PTA and all of the volunteers who helped to put on our first disco of the year! The children had a great time!

PTA

Thinking about your Christmas shopping? Did you know that you can support Pear Tree School when you shop online? Sign up on the link below and when you shop at selected retailers, the PTA will receive a donation at no extra cost to you! Happy

shopping!

[Click here](#)

Thank you to everyone who donated to our Harvest collection. The children enjoyed an assembly with Reverend Mark from St Mary's Church on Tuesday where they learnt about the importance of Harvest and also sang some Harvest songs. The donated goods have now been collected by the food bank to support those who may be facing challenging times.

Polite Reminder

Please do not park on the road outside the pub - this causes congestion and prevents others from turning into the road and gaining access to the pub car park safely. The camera at the pub is off from 8am - 9:30am and 2:30pm - 4pm. At all other times, cars are allowed to park on the car park for up to 20 minutes. Please park responsibly and think about the safety of our community.

Term Time Holidays

Following the government guidance, term time holidays will be unauthorised unless there are exceptional circumstances. Taking your child on holiday during term time could result in a Fixed Penalty Notice.

IMPORTANT DATES:

- 21.10.25 - Reception 2026 Intake Tour, 10am
- 24.10.25 - Last day of the half term
- 03.11.25 - School reopens
