Dear Parent/Carer,

Big news! Instrumental and Singing lessons are available with Music for Life at school, and your child could be part of something amazing. **New for 2026 and from September**, pupils can unleash their rhythm with brand-new **drum kit lessons in school**, using the innovative NUVO Zip-Kit for a fun, portable and exciting start on drums!

At **Music for Life**, we believe music should be **inspiring, accessible and fun**. That's why we provide outstanding tutors who deliver weekly lessons, individually or in small groups, to help your child discover the joy of music and develop a lifelong passion.

Your child can choose from a wide range of instruments (including voice) and, when they join Music for Life, they'll unlock incredible opportunities: **ensembles, theory classes, workshops, performances and more!**

With over **30 years of experience**, we know how to make learning music exciting and rewarding. Our dedicated team ensures everything runs smoothly so your child feels supported every step of the way.

Here's what you need to know:

- Weekly 20 or 30 minute lessons in school, individual or small group
- Lessons start from just **£31.95 per month** (pupil premium subsidies may be available)
- Access to our multi award winning, not-for-profit organisation that invests in students through performances, ensembles, tutor training and workshops
- Easy instrument purchase through one of our partners such as 'Gear 4 Music' or hire with 'Musical Instrument Hire'.

Booking is simple: visit our [online portal](#), complete your details, and we'll confirm lesson times with one of our fantastic tutors. For more info, check out the [accompanying flyer and e-information](#), along with our [website](#) for advice on choosing an instrument, up-to-date fees, and all the extra **Music for Life magic**.

We can't wait to help your child start their musical journey. If you have any questions, email us at info@musicforlife.org.uk.

"I honestly think music plays a crucial part every day in my daughter's life. It gives her something that is in the here and now, not online, something she can excel at and feel how her practise helps her make tangible improvements".

To begin lessons from September, **complete the booking form on our portal by 31st July**, accessed via our website, www.musicforlife.org.uk

All the very best,

Dan Gooch-Peters
Managing Director

Why choose Music for Life?

Music for Life is an award-winning, not-for-profit organisation dedicated to providing children with something truly special. For over 30 years, our team of 100+ inspiring tutors has brought music to life in over 130 schools every week, teaching more than 4,000 children, from first-time beginners to some of the UK's most exciting young musicians! Music for Life is proud to help children discover the joy and power of music.

Learning an instrument opens doors for students of all ages: building confidence, creativity, and a lifelong passion. The benefits go far beyond music as well: improved social skills, language development, coordination, and emotional wellbeing are all additional benefits.

Music changes lives.

We're here to help children experience just how amazing that can be.

Instrumental lessons during the school day

Instrumental lessons take place during the school day, convenient for parents and meaning students become part of a wider community of young musicians in school, avoiding the isolation that can be felt when learning at home. Thousands of students take part in our extra-curricular activities - workshop days, concerts and ensembles, with many taking exams. All tutors are DBS checked, and to work with Music for Life, tutors must be first class musicians and are required to meet professional performance standards.

Instruments offered

Lessons may be available on guitar, piano, keyboard and violin (usually suitable for Year 2 or above), cello, clarinet, saxophone, flute, cornet, trombone, trumpet and euphonium (usually suitable for Year 4 or above), bass guitar, drums and singing. If we are unable to provide lessons on your first choice, we will contact you with the possibility of offering lessons on a second choice if you specify one.

Course Fees

Specialist teaching of a musical instrument falls outside the National Curriculum, so there is a charge for lessons. This varies as some schools provide a subsidy, but up-to-date details of course fees for your school appear on our booking form. Music for Life offers the facility to set up a monthly subscription which makes paying for music lessons so much easier. Support with fees may be available, so please get in touch with your school for details if you are in receipt of Income Support.

Book Lessons

Lessons can be booked online at musicforlife.org.uk where you will find much more information and a simple online booking form where you can make payment in full or set up a monthly subscription via our secure booking portal. Alternatively, please email info@musicforlife.org.uk and we will get back to you.

"A big THANK YOU to Music for Life for the wonderful service and great teaching for quite a number of years!"
