Newsletter 04 - 25.09.26

This week has seen the return of the Crewe and Nantwich sports competitions and our children did us proud at the Cross Country event. There are lots of competitions to follow this half term and we look forward to sharing the results from these in the coming weeks.

We also ended the week with our Macmillan Coffee Morning which Indigo Class did a fantastic job of organising as one of their pledges. Thank you to everyone who attended and supported this worthy cause.

Cross Country

We have had a brilliant start to our competitions this year at the KS2 Cross Country Competition.

We took 40 amazing pupils to represent our school and they were absolutely fantastic! Every child showed lots of determination and resilience, and it was lovely to see them cheer each other on.

We saw some fantastic performances, and we are so proud of everyone. Well done!

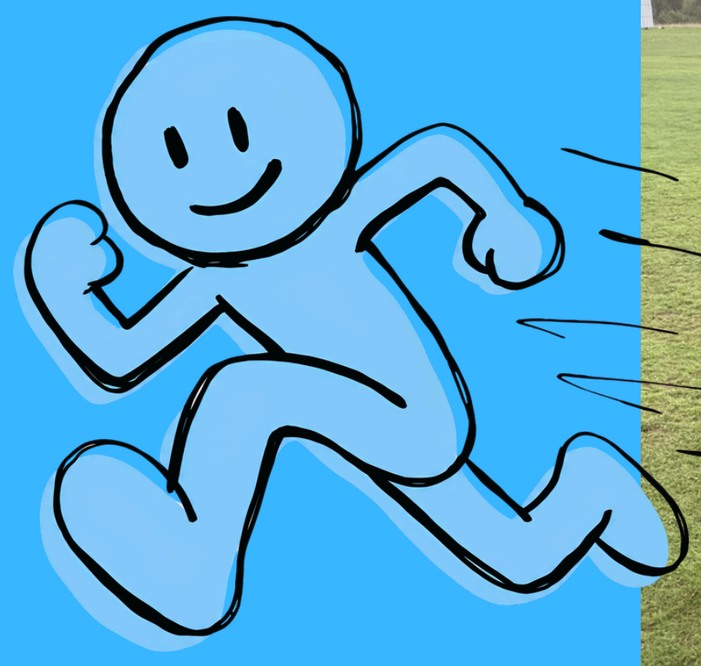

Book Banter

⭐ Book Review

Cosmic by Frank Cottrell-Boyce is a funny and exciting adventure story about a twelve-year-old boy called Liam Digby. Liam is unusually tall for his age, so people often mistake him for an adult. This leads him into an incredible adventure when he manages to travel into space!

Liam is a fascinating character because he is curious, imaginative and sometimes makes mistakes. He wants to experience exciting things, but he learns that growing up is about much more than simply being tall or acting like an adult.

One of our favourite things about this book is the humour. Frank Cottrell-Boyce makes the story entertaining with funny situations and Liam's amusing way of seeing the world. The space adventure also makes the book exciting because you never know what might happen next.

The story explores important themes such as friendship, responsibility, honesty and family. Liam learns that his actions can affect other people and that it is important to ask for help when things become difficult.

New Library Name

The competition to name the Library was won by Isla (Violet Class)
