

Pear Tree Primary School

Newsletter 05 - 02.10.26

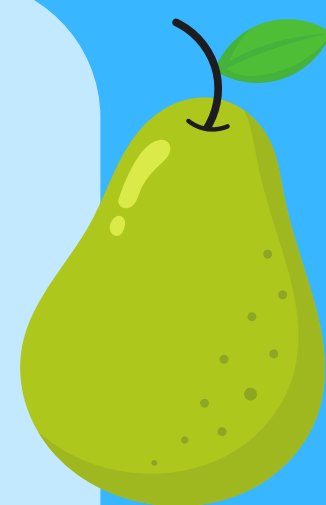

This week, our children have been busy learning, reflecting and celebrating together. Through our whole school assembly, we learnt about Black History Month, where they showed respect and interest as they explored important figures and events. In class, the children have continued to work incredibly hard, demonstrating focus, perseverance and a positive attitude to learning. We also enjoyed marking World Poetry Day, with pupils sharing and responding to a range of poems in their River Families.

No Parking

Please do not park by either of the school gates.

Please do not move the wooden gates as these have been put out to protect the safety of the children.

Absences

Please call the office by 8.30am if your child will be absent from school.

If we are not notified of a reason for the absence, in line with our safeguarding policy, we may have to make a welfare visit to the home.

Red Class

Red class have been busy making models of our homes this week. We thought carefully about how to attach different objects and materials.

KIVA

We are an anti-bullying school using Kiva, our anti-bullying program.

Definition of Bullying:

A pupil is being bullied when one or more pupils

- say mean or hurtful things about them, make fun of them, or call them mean and hurtful names
- completely ignore them, exclude them from their group of friends, or leave them outside on purpose
- hit, kick, shove or order them around of, for example, lock them in a room
- try to make other pupils dislike them by spreading lies about them or by sending mean notes
- do other hurtful things than the ones mentioned above

It is bullying when these things happen repeatedly, and the bullied pupil finds it difficult to defend themselves.

It is also bullying when a pupil is teased repeatedly in a mean and a hurtful way.

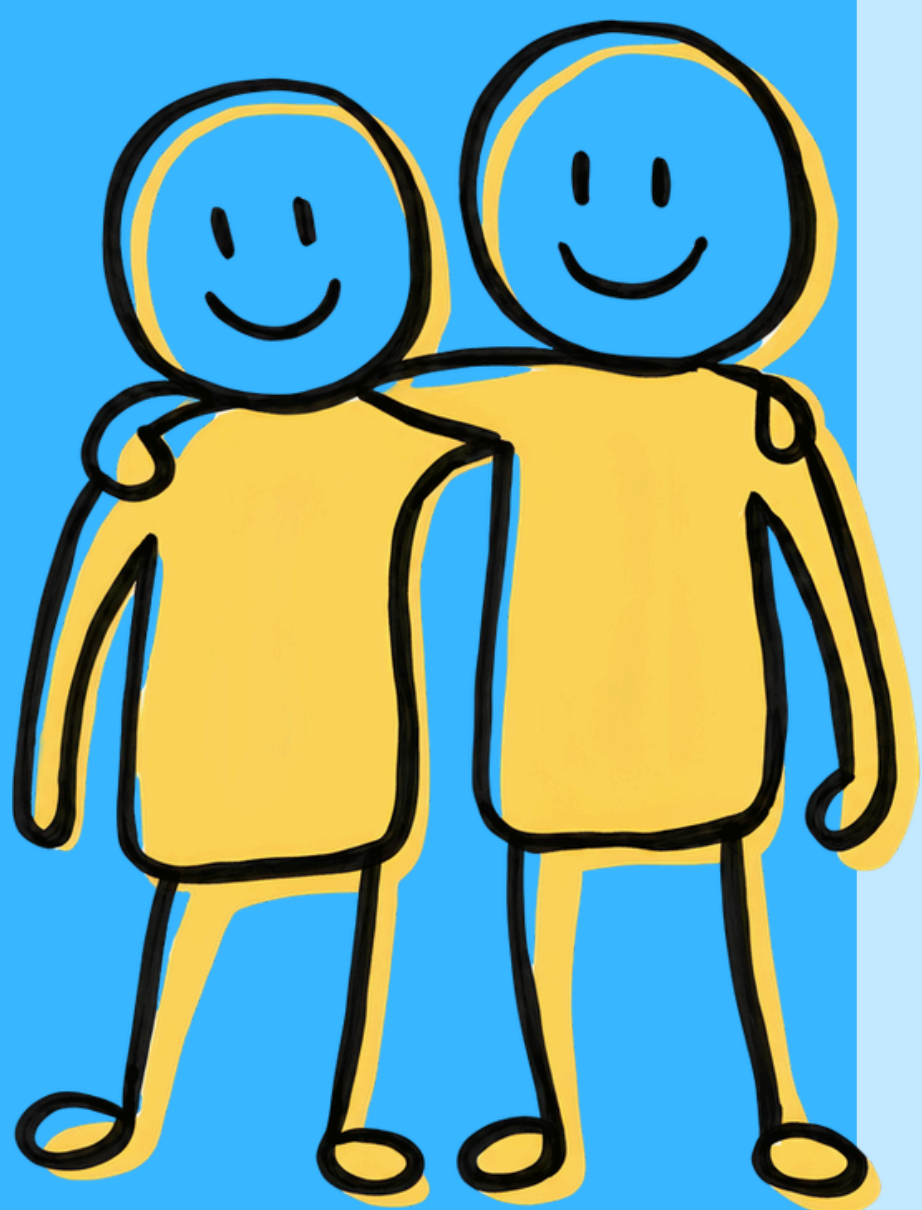

What is not bullying? Friendly and playful teasing is not bullying. It is also not considered bullying when pupils with roughly an equal amount of power willingly argue or fight.

During KS2 your child will complete an anti-bullying program at school called Kiva. It is an evidence based program to prevent and reduce bullying. The lessons are informative, fun and follow kiva rules.

At Pear Tree School our goals are to prevent new bullying cases, tackle bullying cases effectively and minimise negative effects caused by bullying.

Within school we have a Kiva team to manage any situations that may arise. It is important that all students understand that they can make a difference 'let's stop bullying together'.

If you want more information of the kiva program please look at <http://data.kivaprogram.net/parents/>
