

8th May 2026

Star of the Week:

Nursery: Leny

Reception: Mabel

Year 1: Jessica

Year 2: Elsie

Year 3: David

Year 4: Roman

Year 5: Lyra

Year 6: Thomas

Well done to all our stars of the week!

Clubs:

No Multisports for Y1/2 next week as Mr Flint has another meeting. All other clubs are on as normal.

Year 6 SATs Timetable:

Monday 11th May – Grammar, Punctuation and Spelling

Tuesday 12th May – Reading

Wednesday 13th May – Arithmetic and Reasoning 1

Thursday 14th May – Reasoning 2

All Y6 children are welcome to come into school at 8.30am on these days for their SATs breakfast.

Royal Institution Science Event:

What a fantastic time we had at the Science event all day yesterday and in the evening at our community event! As promised it was entertaining, educational and the fire alarms didn't go off!! We were able to book this due to a funding bid that Mr Wilde, our Chair of Governors, put together. My thanks to him and Mrs Legge our Science lead for making this happen. We will definitely be applying for it in other years!

Nursery lists for future years:

If you have a child under 3 and you haven't yet added them to our Nursery lists please do so! We maintain these lists for future years so that we can then offer places to those on the lists. Please do let us know if you'd like to add your child to the list – they are never too young!

SchoolGrid school meal ordering:

Remember to order your child's meal on School Grid. If there's no choice marked, they will get the default option which is a jacket potato with a choice of filling. The cut off time for orders on the day is 8.55am.

Tesco Tokens:

If you shop at Tesco in Greenfield or the Shaw Express store, please look out for Livingstone appearing in the blue tokens vote! We have a 'Power Up Our Playground' project that the school council have been working on to 'Help us transform our empty playground into a vibrant, active space by funding essential equipment that will inspire play, friendship, and healthy futures for every child'. Please do take a token after you have shopped and put it

in our box! Please also spread the word with anyone who shops in Greenfield or Shaw. We will be voted on from Tuesday 28th April until the end of July 2026.

Smart watches:

Please do not let children wear smart watches for school. Some have calculator or camera options even when not connected to a phone and this is not appropriate in school. Thank you for your support.

National Digital Safety survey and events:

Action for schools and further education settings: Growing up in the online world: a national consultation

Technology is part of most children's lives from an early age. It can help them learn, build friendships and develop creativity. But it also brings risks, and many parents, teachers and young people have told us the current situation is not working well enough.

The government is consulting on further measures to prepare children for the future in an age of rapid technological change. [Growing up in an Online World: a national conversation](#), will consider how children and young people use digital technology in school and at home.

There is a survey available for [parents and carers](#) and for [children and young people](#), and an [online event](#) for parents and carers on Wednesday 20 May at 6pm to 7pm – please share these.

The Ashton Sculpture Trail Is Here!

Get ready for an unforgettable family adventure right in the heart of Ashton!

A vibrant collection of hand-crafted sculptures — cast, designed, and decorated by local artists, community groups, and our very own borough's industries — is popping up all across the town centre.

From the moment you step through the town's gateways to the bustling shopping districts, you'll be greeted by a trail bursting with creativity and colour, guiding you on a playful journey through Ashton.
