

In Geography...

We will be learning that we live in the city of Chester. We will look at school and the surrounding area and identify the physical and human features. Finally, we will look at how we travel to different places.

In Art...

We will be looking at the skill of painting and identifying the primary colours and exploring how we can mix them.

In PE...

We will be looking at our health and wellbeing. We will also look at running with a focus on how we can change our speed and use this in games.

In Maths...

Number and Place Value:
Numbers to 10
Calculations: Addition and Subtraction
Geometry:
Position and Direction:
Positions

In English...

We will be joining Drawing Club and working on a foundational skills to prepare for next term.

In PSHE...

We will look at another book in our No Outsider work and continue our SCARF work.

In DT...

We will be looking at how we can make food that will keep our bodies healthy.

In Science...

We will be investigating the parts of the body and what we can do with them. We will also be looking at our senses and what we use them for.
We will also look at the season of Autumn by observing the weather, day length and changes in the environment.

In Computing...

We will be learning the technology around us in the classroom and learning how to use it.

In RE...

We will be looking at the religion of Christianity and what it means to belong.
