

History

In History, we will look at The Vikings. We will learn about who they were, where they came from, their invasions and what they believed.

We will also use our map skills to identify invasion sites and countries where the Vikings came from.

Computing

In Computing, we learn how to use physical computing to explore the concept of selection in programming. We will use the crumble programming environment to do so.

Science

In Science, we will be learning about Animals including Humans. Children will develop on their knowledge of how humans change from birth to old age.

Maths

In Maths, we will continue learning about multiplication and division with a focus on written methods. We will also further our learning of fractions, recapping on previous skills learnt and gaining an understanding of new areas.

English

In English, we will base our learning using the narrative book 'Arthur and the Golden Rope' to inspire our writing. We will be working towards writing a myth aiming to engage our readers through expanded noun phrases, relative clauses and selecting effective grammar and vocabulary.

RE

In RE, we will be learning about Sikhism. Children will develop an understanding about why community and equality is important to Sikhs.

PSHE

In PSHE, we are looking at different influences around us and realising that we have a choice.

Music

In Music, we will use 'Singup' to learn about different Islamic songs.

PE

In PE, we will be doing gymnastics and working on our balances. We will also be developing our cricket skills.

Year 5 Spring 1
