

Geography

Geography

In Geography, we will be focusing on the Polar regions and the effects of climate change. We will look at what global warming is and explain the effects that it has on the Earth.

English

English

In English, we will base our learning on the story of 'Leon and the Place Between'. The story of Leon, his encounter with a circus entertainer and his experience in the 'Place Between' will allow us to create a diary entry all about his time there.

Music

In Music, we will be looking at 'Theme' from The Pink Panther and creating music inspired by colour and art.

Computing

In computing, we will be focusing on making sequences in music.

PSHE

In PSHE, we will be looking at valuing difference.

Year 3 & 4 Autumn 2

Magical Spark

Science

In Science, we will learn all about electricity! We will be able to construct a simple circuit and recognise common conductors and insulators.

Art

In Art, we are going to look at the work of British abstract artist. Sir Terry Frost (1915-2003).

DT

In DT, we will create electrical circuits using our knowledge from our science topic.

RE

In RE, we will be looking at Christianity.

PE

In PE, we will be working on our gymnastics and will be having our Forest School sessions.

Maths

In Maths, we will be continuing to focus on multiplication and division.

Key Vocabulary

appear describe disappear famous favourite
