

History

In History, we will look at how the Anglo-Saxons changed Britain. We will learn about where they came from, where the Anglo-Saxons invaded, their culture and their Kings.

English

In English, we will base our learning using the narrative book 'The Lost Happy Endings' to inspire our writing. We will be working towards writing a traditional tale aiming to engage our readers through expanded noun phrases, direct speech and selecting effective grammar and vocabulary.

RE

In RE, we will be continuing our focus of learning about Islam. Following on from learning about the Five Pillars, we will now gain an understanding of how the Muslim faith is expressed through family life.

Computing

In computing, we will be developing use of video technology. We will look at importing and editing videos that we have created.

PSHE

In PSHE, we are looking at valuing difference and qualities of friendships. We are also using the book 'Where the Poppies Now Grow' as our No Outsiders theme linking to Remembrance Day.

Science

In Science, our focus will be all about properties of materials! We will be comparing and grouping together everyday materials on the basis of their properties.

Art

In Art, we will learn about the American artist Teesha Moore to then create collage pieces.

PE

In PE, we will be developing our skills in handball and tag rugby hockey.

Music

In music, we will focus on why we sing and the children will be introduced into song writing.

Maths

In Maths, we will continue our learning of interpreting a variety of charts and timetables. We will also develop our understanding of multiplication and division and begin understanding graphs. We will also recap previously learnt skills throughout this half term.
