

Year 6 Newsletter

Spring 2 2024

Dear parents/carers,

Welcome back everybody, I hope you are all well and had the chance to get a short rest during February half term.

As always, we have lots to learn about and the children will be exploring lots of new topics this term in science, history and RE (please do have a look in the curriculum overview). Our PE day will be Tuesday afternoons but please ensure that kids are brought in on a Monday and taken home on a Friday.

The classroom doors will open at 08:45 and close at 08:50. Anybody arriving after 08:50 will be classed as late and will have to report to the school office.

As usual, any questions please don't hesitate to email me at: h.churchman@abbott.manchester.sch.uk
I'm happy to answer any quick questions at the door but any in depth questions, please direct to my email.
Kind regards,
Miss Churchman

Curriculum Overview

Literacy

- Balanced argument
- Non – chronological report
- Diary entry

Maths

- Percentage of an amount
- Converting between fractions, decimals and percentages
- Measure – perimeter, area and volume
- Ratio and proportion
- Algebra

Science

- Science Week!

Music

Roots

History

- Identify the extent of the British Empire in 1921 and explain what it meant to be a colony.
- Describe and explain the main reasons why Britain wanted to be an empire.
- Interpret evidence to explain why the British Empire has all but disappeared.

RE

Is it better to express
your beliefs through
art or generosity?

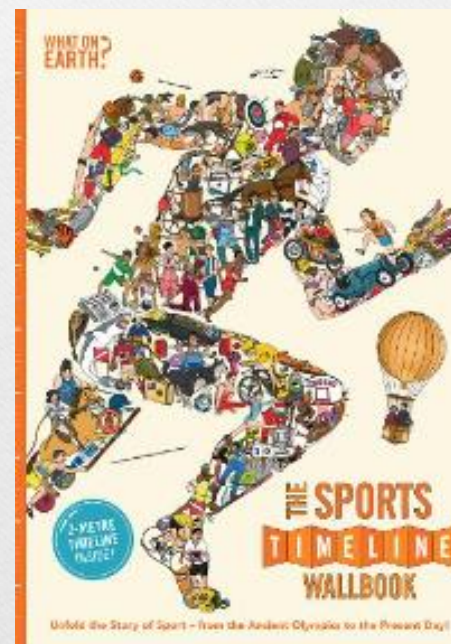

Art

- To see how artists can explore their identity by creating layered and constructed images.
- To use my sketchbook to generate and record ideas.
- To create a layered portrait to explore aspects of my identity, thinking about line, shape, colour, texture and meaning.

Reading

Children will continue to have independent reading books to take home and they will begin to access the school library. Reading books can be changed ANY day, as needed.

To further support independent reading for pleasure, take a look at the suggestions below that are linked to the topics and authors we are focusing on this half term:

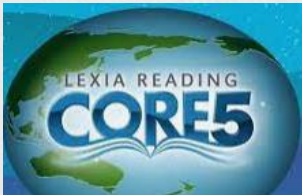

Homework

Year 6 will be receiving homework in the form of a homework book with a maths and literacy task in. They need to complete these each week, they will be marked first thing on a Monday morning.

	Day Set	Day Due
English Task Maths Task	Tuesday	Following Monday
Some weeks, the children may bring home their Sats papers to do as homework instead of completing work via Google Classroom. This may be given on a different day dependent on when the tests have been completed.		

Children also have access to online learning platforms that can be used at home.

Homework Club is also available for children every Thursday 3:15pm – 4:15pm
