

Nursery Newsletter

Autumn 2 2025

Dear parents/carers,

We hope you had a fantastic half-term break! The children had a wonderful first half-term in Nursery and we were so impressed with their hard work and eagerness to engage in learning activities. It has been delightful to see their enthusiasm and growth.

This half-term, we will be exploring the theme 'Celebrations.' The children will learn about various celebrations, including Halloween, Diwali, Bonfire Night, and Christmas, through a range of fun and engaging activities. Our goal is to foster an understanding of different cultures and traditions, while making learning fun!

Please keep an eye on our class page on the school website, where I will regularly upload blogs to share and celebrate all the learning taking place in our class. Please engage with these updates and discuss them with your child at home.

Thank you as always for your continued support and cooperation.

Important Reminders

Your child must bring spare clothes (including underwear) every day in their school bag. Please label ALL of your child's belongings!

Please ensure that your child brings a labelled water bottle to school everyday. If you wish your child to have their own snack, please ensure it is fruit or vegetables.

We are a nut free school. Please ensure your child is not bringing food containing nuts into school, including spreads, chocolates and cereal bars.

Curriculum Overview

Expressive Arts and Design

- Begin to engage in imaginative role play through pretending to be different characters.
- Join in with the Christmas performance, singing along and joining in with actions.

Reading

Children will bring home a reading record and picture book for you to share and enjoy together at home. This needs to be brought in every **Monday** to be changed. Please write a small comment in their record to indicate that they have read their book and are ready for it to be changed.

To help support a love of reading at home, your child will also receive a special 'bedtime story' book each week. This is for you to enjoy together at a quiet time, such as before bed and should be returned the following **Monday** too.

To further support independent reading for pleasure, take a look at the suggestions below that are linked to the topics and authors we are focusing on this half term. All of these books can be found on Youtube to listen to at home if you do not have access to a physical copy.

Mr Bear

Each **Friday**, our cuddly friend will go home with a child who has shown hard work and impressive effort. This is a wonderful opportunity for your child to take care of our bear and share their experiences with the class.

When it's your child's turn, we would like you to take some pictures of your adventures and upload them onto our Class Dojo page. We can then share these pictures and stories during our class circle time.

Mr Bear needs to be returned to school each **Monday** morning so he is able to encourage the children to work hard and make the right choices throughout the week.

We can't wait to see all the fun your children will have with our Class Bear!
