

Year 5 Newsletter

Spring | 2026

Dear parents/carers,

Welcome back to Spring!! I hope you enjoyed the Christmas break and had a chance to rest after all the hard work in Autumn 2. I look forward to seeing what the children achieve this term!

Children will now be expected to line up sensibly outside the classroom doors at 08:45 instead of on the playground.

Reading

Your child's reading book will still be changed on Mondays and Thursdays, giving them enough time to continue to read and discuss the content with you. If your child forgets to bring it on those days, we will always try and change it on another day.

PE

Year 5 will be doing gymnastics on a Friday. I recommend that your child brings their PE kit into school on a Monday and then takes it home on a Friday after their session. Lots of children forget to bring kit and trainers/pumps so please make sure they have those with them. Also, if your child wears tights, please ensure you pack some socks for them.

I can answer any quick questions at the door but if you have anything more in depth you want to discuss, then please send me an email or ring the school so that we can arrange time for this.

Kind regards,
Miss Johnson

Curriculum Overview

English

The Lady of Shalott

Flashback

Fact file

Non-chronological report

Comparison of Characters

Persuasive argument

Maths

Multiplication and division

Identify multiples and factors.

Know and use the vocabulary of prime numbers, prime factors and composite (non-prime) numbers.

Recognise and use square numbers and cube numbers, and the notation for squared and cubed.

Multiply and divide whole numbers and those involving decimals by 10, 100 and 1,000

Fractions

Develop an understanding of equivalent fractions.

Find and represent fractions equivalent to unit fractions.

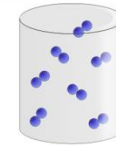

Find families of equivalent fractions.

Recognise mixed number fractions.

Convert improper fractions to mixed numbers.

Compare fractions based on their size.

Science

Gas

Liquid

Solid

Properties of Materials

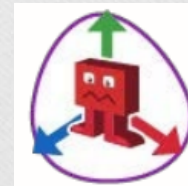

Compare and group together everyday materials based on their properties, including hardness, solubility, transparency, conductivity and response to magnets.

Know that some materials will dissolve in liquid to form a solution and describe how to recover a substance from a solution.

Use knowledge of solid, liquid and gas to decide how mixtures might be separated including through filtering, sieving and evaporation.

Give reasons based on evidence from comparative tests for the particular uses of everyday materials including metals, wood and plastic.

Computing

Game Creator

Geography

Why are mountains so important?

Recognise, identify and explain what geographers define as mountains.

Identify, locate and describe the location of the largest ranges of mountains.

Explain how the movement of plates of the Earth's crust can form ranges of fold mountains.

Reflect upon, evaluate evidence and reach a conclusion and judgement regarding the success or failure of expedition of Mallory and Irvine to climb Mount Everest in 1924.

Art

Mixed Media Land and City Scapes

Understand how artists respond to land and cityscapes in various ways by using inventive mixed media combinations.

Investigate how artists work outside amongst inspiring land and cityscapes, and how they use all their senses to capture the spirit of the place.

Create a response to artists' work using different sizes of paper and a range of skills.

RE

What does it mean to be a Muslim in Britain today?

Music

Antonio Vivaldi

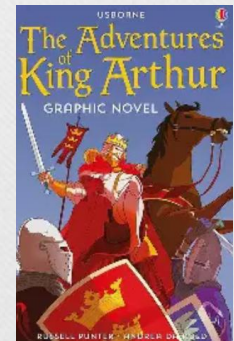

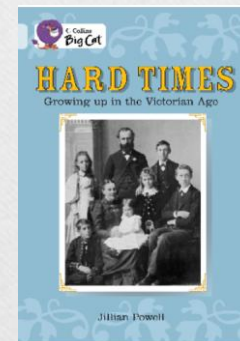

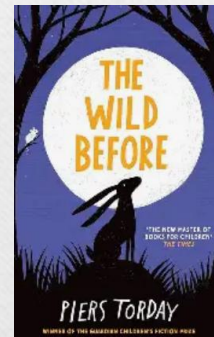

Reading

Children will have independent reading books to take home and they will be able to visit the library on a Thursday.

When reading at home, encourage your child to read with expression as this is the goal I have set for the whole class.

To further support independent reading for pleasure, take a look at the suggestions below.

Home Learning

English

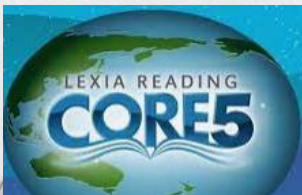

Daily reading: reading records to be signed and returned to school daily.

Spellings: regular practise of the spellings attached to the newsletter.

Maths

A worksheet will be sent home on Thursdays. This is not to be returned to school. Answers will be emailed to parents.

Children also have access to online learning platforms that can be used at home.
