

Year 6 Newsletter

Spring 2 2026

Dear parents/carers,

Welcome back everybody, I hope you are all well and had the chance to get a short rest during February half term.

As always, we have lots to learn about and the children will be exploring lots of new topics this term in music, PE and science. Our PE days will be Wednesday afternoons and Friday afternoons therefore, please ensure that kits are brought in on a Monday and taken home on a Friday.

The classroom doors will open at 08:45 and close at 08:50. Anybody arriving after 08:50 will be classed as late and will have to report to the school office.

As usual, any questions please don't hesitate to catch me at the classroom door. Anything more in depth to be discussed please phone and book an appointment.

Kind regards,
Mrs Churchman

- Algebra
- Time
- Money

Computing

Data Detectives

PE

Dodgeball

Science

- Science Week!

Music

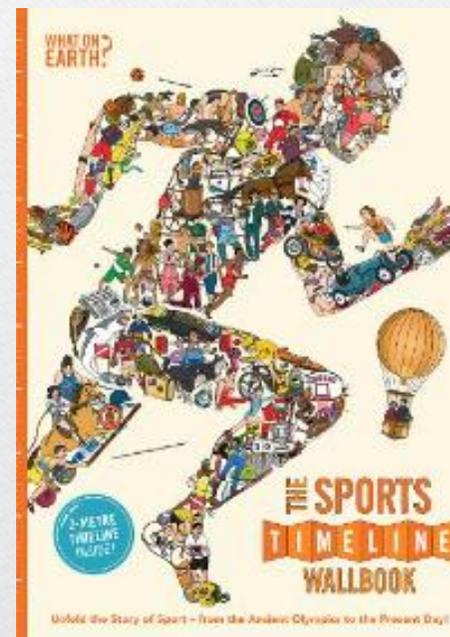

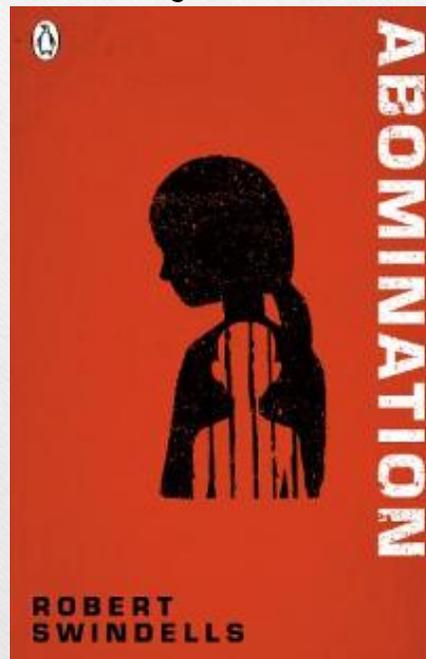

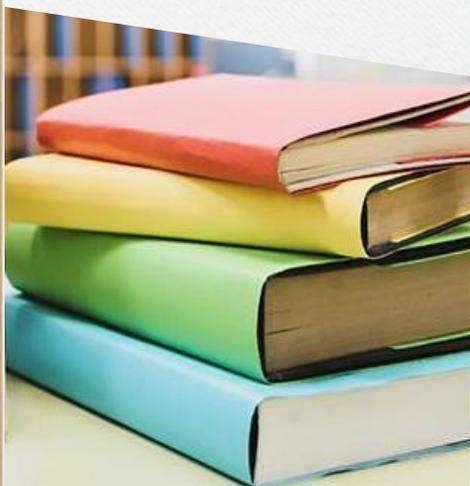

Johann Sebastian Bach

Reading

Children will continue to have independent reading books to take home and they will begin to access the school library. Reading books can be changed ANY day, as needed.

To further support independent reading for pleasure, take a look at the suggestions below that are linked to the topics and authors we are focusing on this half term:

Homework

Year 6 will be receive a test to complete each week as Sats practice.
This could range from an arithmetic to a reading paper.

Reading

It is imperative that children read every night and sign their reading records.
Please ensure that they are bringing these in daily as they are checked by
staff.

The children also have their logins to Reading Plus – any extra reading is
fabuluuous!

Children also have access to online learning platforms that can be used at home.
