We are a Rights Respecting School with No Outsiders

Mission: Be The Best You Can Be

Vision: Providing A World-Class Start To Life

At The Acorns Primary & Nursery School, we are a Rights Respecting School where everyone is welcome - we have No Outsiders. We equip our pupils with the skills and knowledge they need to become positive, global citizens. During their time here, children develop into intrinsically motivated, life-long learners: they understand the value of working hard and they aspire to achieve.

Our pupils leave us with a strong, moral compass, comfortable in their own skin, and knowing their own minds. They are brimming with self-belief and self-worth and are capable of being in respectful, trusting relationships with others in their community.

Throughout their time at The Acorns, we instil the characteristics of effective learning. These allow our pupils to develop into confident, resilient, and independent adults, prepared to succeed in the modern world.

We achieve this vision through our daily mission - Be The Best You Can Be - and by remaining true to our core values of Mutual respect, Equity, Inclusivity and Love.

Statement of intent

The Acorns Primary & Nursery School believes that a consistent school uniform policy is vital for:

- Promoting the ethos of a school.
- Providing a sense of belonging and identity.
- Setting an appropriate tone for education.

For the purposes of this policy, “**uniform**” includes the following elements of pupils’ appearance:

- Clothing, including the school uniform itself, variations of the school uniform such as PE kits, and other clothing worn at school, e.g. non-uniform.
- Hairstyles and headwear.
- Jewellery and other accessories.
- Cosmetics such as makeup and nail polish.

This policy lays out the measures the school has taken to ensure a consistent, fair and inclusive uniform policy, and to implement a uniform that reflects the needs of all pupils, is affordable, and provides the best value for money for both the school and pupils’ families.

We believe that pupils learn most effectively and achieve their best outcomes when they are comfortable, able to be themselves, and dressed in a way that sets an appropriate tone for education.

In writing and updating this policy, we have sought to:

- Engage with parents and pupils.
- Consider how this policy might affect groups represented in the school, especially those who share protected characteristics as defined by the Equality Act 2010.
- Consider how comfortable the uniform will be for pupils.
- Take a sensible approach to allow for exceptions to be made, e.g. during adverse weather.
- Ensure that the uniform is suitable and safe for pupils who walk or cycle to school.
- Choose a PE kit which is practical, comfortable, appropriate to the activity involved and affordable.
- Ensure the policy is easy to access and understand.

Legal framework

This policy has due regard to all relevant legislation and guidance including, but not limited to, the following:

- Human Rights Act 1998
- Education and Inspections Act 2006
- Equality Act 2010
- Education Act 2011
- The UK General Data Protection Regulation (UK GDPR)
- Data Protection Act 2018

- DfE (2021) 'School Admissions Code'

- Equality and Human Rights Commission (2022) 'Preventing hair discrimination in schools'

This policy operates in conjunction with the following school policies:

- Complaints Policy
- Relationship Policy (formerly behaviour)
- SEND Policy

Roles and responsibilities

The governing board is responsible for:

- Establishing, in consultation with the Headteacher and school community, a practical and smart school uniform that accurately reflects the school's vision and values.
- Ensuring that the school's uniform is accessible, inclusive, and does not disadvantage any pupil because of their protected characteristics or socio-economic status.
- Listening to the opinions and wishes of parents, pupils and the wider school community regarding changes to the school's uniform.
- Ensuring that the school's uniform is accessible and affordable.
- Demonstrating in this policy how best value for money has been achieved.
- Ensuring compliance with the DfE's 'Cost of school uniforms' guidance.

The Senior Management Team is responsible for:

- Enforcing the school's uniform rules on a day-to-day basis.
- Ensuring that teachers understand this policy and what to do if a pupil is in breach of the policy.
- Listening to the opinions and wishes of the school community in regard to the school's uniform and making appropriate recommendations to the governing board.

Staff are responsible for:

- Ensuring that pupils dress in accordance with this policy at all times.
- Where appropriate to their role, respond to pupils who are in breach of this policy.
- Ensuring that pupils understand why having a consistent and practical school uniform is important, e.g. school identity.

Parents are responsible for:

- Providing their children with the correct school uniform as detailed in this policy.
- Informing the Headteacher if their child requires an exemption to the uniform rules for a period of time, with a reason why.
- Ensuring that their child's uniform is clean, presentable and the correct size.

Pupils are responsible for:

- Wearing the correct uniform at all times, unless the Headteacher has granted an exemption.
- Looking after their uniform as appropriate.
- Understanding and respecting why a school uniform is important to the school, e.g. school identity and community.

Cost principles

The school will develop its uniform policy in relation to the following starting principles:

- The school will seek to ensure that the uniform is affordable. In so doing, the school will consider the total cost of school uniforms, taking into account all items of uniform or clothing parents will need to provide while their child is at the school.
- The school will seek to keep the use of branded items to a minimum.
- The school will seek to ensure that uniform supplier arrangements give the highest priority to cost and value for money, including the quality and durability of the garment.
- The school will seek to ensure that second-hand uniforms are available for parents to take for free. Information on second-hand uniforms will be published on the school's website.

Equality principles

The school takes its legal obligation to avoid unlawfully discriminating against any pupil very seriously. In line with the above, the school will aim to ensure that its uniform policy is as inclusive as possible so that all pupils can access a school uniform which is comfortable, suitable for their needs, and reflects who they are, while avoiding any direct or indirect discrimination on the basis of protected characteristics or socio-economic status.

The school will ensure that parents and pupils are consulted over any changes to school uniform, and that, where appropriate and with pupils' consent, views and advice are sought specifically from pupils, and parents of pupils, who:

- Are transgender or non-binary.
- Are of a religious or cultural background that has specific dress requirements.
- Have SEND and/or sensory needs.

Parents' concerns and requests regarding school uniform and amendments to it are handled on a case-by-case basis by the Headteacher and governing board, and always in accordance with the school's Complaints Policy.

Information on how the school ensures its uniform policy does not discriminate against pupils with specific protected characteristics is outlined below.

Gender

To avoid disproportionately impacting pupils of a certain gender, the school will ensure that the cost of uniform is as equal in price as possible across items for all genders.

This includes:

- Adhering to the procedures laid out in the 'Cost principles' section of this policy.
- Not directly requiring pupils of a certain gender to buy additional uniform, e.g. by requiring female pupils to buy both trousers and skirts.

- Not indirectly requiring pupils of a certain gender to buy additional uniform, e.g. by offering football in PE to only male pupils and requiring they buy football boots to participate.
- Not holding pupils of different genders to different uniform standards, e.g. by banning certain hairstyles for only one gender.

The school will implement a gender-neutral uniform, meaning that pupils will not be required to wear specific items based on their gender, and may wear any of the uniform items listed in the 'School uniform' section of this policy regardless of the legal sex recorded on the school's records.

Religion and belief

To avoid disproportionately impacting pupils of a certain religion, belief or culture, the school will ensure that there is flexibility to allow pupils to present themselves in a way that adheres to their dress requirements as far as possible, within the school's uniform policy.

The school will endeavour to meet all requests for amendments to the uniform for these purposes; however, the needs and rights of individual pupils will be weighed against any health and safety concerns appropriate to the circumstances, e.g. if safety headgear needs to be worn.

Race

To avoid disproportionately impacting pupils of a certain race, the school will ensure that its uniform policy does not constitute unlawful indirect discrimination through blanket rules. This includes:

- Not banning hairstyles related to a pupil's ethnic origin, e.g. natural Afro hairstyles.
- Not banning hairstyles worn because of cultural, family and social customs, e.g. cornrows.
- Not banning head coverings related to a pupil's culture or ethnic origin, e.g. African heritage head wraps.

The school will follow the good practice guidance provided by the Equality and Human Rights Commission on 'Preventing hair discrimination in schools'.

SEND and medical conditions

To avoid disproportionately impacting pupils with SEND or medical conditions, the school will ensure its uniform policy takes into account the needs of these pupils. This includes:

- Ensuring the school uniform uses soft, stretchy fabrics and avoids intricate buttons or hard seams.
- Allowing variations to the standard uniform for pupils whose medical conditions may impact how they dress, e.g. pupils with casts who require loose-fitting clothing or pupils with hair loss-related conditions who wish to wear head coverings.

Where the needs of these pupils cannot be met in the standard uniform policy, individual adaptations to the uniform will be considered and permitted wherever possible.

The school will ensure that it works with a supplier that acts in accordance with the school's values and principles on equality and inclusion.

Complaints and challenges

The school will endeavour to resolve all uniform complaints and challenges locally and informally, in accordance with the school's Complaints Policy.

The school will refer individuals who wish to complain to the Complaints Policy and request that they follow the procedures outlined therein.

When a complaint is received, the school will work with the complainant to arrive at a mutually acceptable outcome.

In considering a complaint, parents should be aware that teachers can sanction pupils for breaching the school's rules on appearance or uniform. The school aims to deal with pupil non-compliance in a proportionate and fair way.

School uniform supplier

The school's current school uniform suppliers are:

- **Uniformity**
- **11 Rivington Road, Ellesmere Port, CH65 0AW**
- **Tel: 0151 2943996**

- **The Uniform Shop**
- **30 Overpool Road, Ellesmere Port, CH66 1JN**
- **Tel: 0151 345 4656**

This is for the school cardigans and jumpers only (with the school logo), all other uniform can be bought in any supermarket. The school uniform supplier will accept school uniform assistance vouchers.

The governing board will ensure that a written contract is in place with the supplier for branded items. The governing board will be able to demonstrate how uniform is procured at the best value for money. The Headteacher will work to ensure that the items are procured as cheaply as possible without compromising on the quality, e.g. by requesting standard-style items from the supplier rather than more intricate and unique designs.

The school will not sign contracts with suppliers before requesting visualisations and samples of proposed uniform.

Finding and consulting suppliers

If the school is considering changing its suppliers and seeks a list of available suppliers, it will consider the following options:

- Consulting an industry body
- Researching local suppliers
- Consulting with other schools and networks
- Having informal discussions with potential suppliers to help determine the school's own needs

If the school prepares to request bids from potential suppliers, it will consider the following elements:

- What products parents will need
- Existing contractual commitments
- Length of tender process
- The school's evaluation process

Template documents

Schools will use the DfE's 'Procuring uniform supplies' template documents to ensure that they undergo the procurement process correctly. The templates consist of an invitation to tender, a request for quotation, and a pricing schedule.

Schools will use the invitation to tender template to ask questions of suppliers. Schools will then use the pricing schedule to ask suppliers to submit their prices. Full instructions on how to use the templates are included in each of the documents.

Uniform assistance

The school will support disadvantaged families in meeting the costs of uniforms by holding washed, second-hand school uniforms in the **front entrance of school** for parents to access for free. Parents will be invited to donate their child's uniform when they no longer need it.

Non-compliance

Staff will be permitted to address non-compliance with pupils and families when they breach this policy. The Headteacher, or a person authorised by the Headteacher, will be permitted to provide a pupil with the correct uniform from the school's resources, including footwear. Parents will be notified of pupils' breaches of school uniform in all cases and requests will be made that this is rectified, or how school have supported to rectify will be outlined.

Each individual pupil's scenario will be taken into account where any judgements on appropriateness are to be made, and parents will always have the freedom to complain via the school's Complaints Policy. The school will engage with parents and pupils when reviewing this policy.

Any subsequent changes to this policy will be communicated to all staff, pupils, parents and other relevant stakeholders and information updated on the website.
