BACK TO SCHOOL SURVEY

Thanks to everyone for completing the back to school survey. It has been really useful for me to know who is and isn't happy, and then it's given me the chance to fix things to make everyone happy.

The good news is, based on this survey, I am confident in saying that all pupils have settled back well and if pupils have had any issues, we have been able to support them to help the situation improve. If this changes, please let me know.

A successful school needs happy pupils and parents. This is very important to me.
