It was wonderful to see the start of another term of enrichment activities, with pupils excited to return to their clubs. Chess Club remains especially popular, offering valuable learning benefits. Chess strengthens problem-solving and critical-thinking skills, while also building patience, concentration, and resilience. It encourages creativity through exploring different strategies and provides a calm, positive space for pupils to connect, share ideas, and grow in confidence together.

Proud to support  
The National Year  
of Reading 2026.

During a recent survey of our children, we discovered that many have never visited a public library. This week, Mrs Downey reminded the children about the amazing range of free resources available at their local library. Please consider making a visit so your child can be introduced to the exciting possibilities that exist within these wonderful community spaces.

# BREAK THE RULES DAY

Rules to be  
broken include:

1. Wear school uniform
2. Wear school shoes
3. No wacky hair-dos
4. No temporary tattoos
5. No nail varnish

Here's how it  
works:

YOU BREAK—UP TO  
A MAXIMUM OF £1,50**

# Breaktime fun in the snow

Despite the challenging conditions on Monday, I'm grateful that so many were able to make it into school. It was wonderful to enjoy a great day of learning together, with the added bonus of having fun playing in the snow.

Please encourage any prospective parents to contact us to arrange a visit.

# Homework Reminder

**Please continue to partner with us and help make this term even better for your child.**

## **Spellings**

Spellings will be set on Spelling Shed each week. Spellings will be practised in spelling lessons each week and it would be beneficial for children to supplement this learning using Spelling Shed at home. Personalised spelling lists for Reception —Y6 will also be available to access each week on the Spelling Shed website through your child's login. We expect children to log into spelling shed at least three times per week. Spelling Shed allows us to carefully track your child's progress and ensure they maximise the opportunity to develop this aspect of their learning. Research suggests that the App has a very positive impact on the improvement of spelling.

## **Reading**

We would encourage parents/carers to **read with your child as often as possible at home**. We expect this to be a **minimum of four times per week**. Reading books will continue to be sent home next term along with the blue reading record. Please keep a record of the reading taking place at home as much as you possibly can. Children will either be given a phonetically decodable book or an Accelerated Reader book, the level of which will be in the form of a range of numbers. Children who are on the Accelerated Reader scheme will be able to complete quizzes which assess their comprehension skills each time they complete their book. If you require any further information please do not hesitate to speak to your child's class teacher, before or after school.

## **Maths**

'Mathletics' is a website based maths resource and the activities are linked to the national curriculum objectives for your child's year group. You will have received your child's username and password inside their reading diary. For children in Year 2 and above, we will set additional tasks on Times Table Rock Stars.
