Parent Carer Meetings

Here are the key dates for each class:

- Years 1, 2, 3, 4, & 5: June 17th & 18th 2026

Year 4 London Residential 2026

Year 4 have successfully completed their London Residential. It has been an incredible two days, packed with new experiences that helped bring the curriculum to life. We were very grateful that Esther McVey took the time to speak with us at the end of our official tour of Parliament. She was genuinely interested in what the children aspire to be when they grow up, and we even invited her to visit the school to support us with a future speaking event. We hope to arrange this in the near future.

The contrast between London and Whitley offers the children a rich opportunity to appreciate the size and scale of our capital city, as well as to be inspired by the possibilities that await them as they get older.

We are extremely thankful to Mrs Broom for her excellent navigation and support throughout the trip. Residential visits rely on the generosity of staff who give up time with their families, and we are also indebted to Miss Smith, who did a fantastic job supporting the children. The children represented the school exceptionally well.

After half-term, Year 4 will have the opportunity to share some of their favourite memories with their classmates.

Easter Activities

The Easter holidays will soon be upon us. If you are looking for fun activities to keep your children entertained, West Cheshire Museums are offering a range of events across the region.

Please see page 3 for further details.

Explore Nature, Art, Science and Technology across West Cheshire Museums at **Museum Explorers club!**

Dodgeball Event

On Monday, we took a team to compete in an exciting Dodgeball event at Weaverham High School. These events are wonderful opportunities for children to overcome worries and anxieties, building their confidence each time they step outside their comfort zone. We are very grateful to Mrs Downey for her hard work and commitment in ensuring that we take part in as many sporting events as possible.
