Please ensure holidays are booked outside of term times because we teach new content every single day

**Sports Day
2026
Monday 13th
July – 1.30pm
start**

Sports Day will soon be upon us, and we are very much looking forward to this exciting event. We are delighted that Mr Finney from Weaverham High School—who is well known to our children—will be bringing a team of students to help run the afternoon's activities. Please note that this event is weather dependent. If the weather is warm, we kindly ask that children come to school with a water bottle to keep them hydrated throughout the day and suncream. We look forward to seeing you there for an enjoyable afternoon of sport and teamwork!

Rose King and Queen Event 2026

Thank you to everyone who came along to support the Rose Queen and Kind Event last Saturday. The costumes were fantastic and brought so much colour and joy to the day. It is always such a special occasion, and events like this provide wonderful opportunities for our children. Taking part in the public singing and performances helps to build their confidence and plays an important role in their character development. We are also very grateful to the Rose Queen Committee for their generous support of the school through the funds they raise. This year, their contribution enabled us to purchase a range of lovely resources for our Reception class, which will have a real and lasting impact on the children's learning. Thank you once again for your continued support. We are also very grateful to FoWs for their support with fundraising at the event.

Whole-Class Yoga Session

Last Friday, the children enjoyed taking part in a whole-class yoga session. This was a wonderful opportunity for them to develop their flexibility, balance and coordination, while also supporting their overall physical wellbeing. Yoga also helps children to relax and be mindful, giving them strategies to manage their emotions and feel calm. Working together as a class, the session promoted a positive sense of focus and cooperation, leaving the children feeling refreshed and ready to learn.

High School Resilience

This week, I had the pleasure of attending the local Headteachers' Consortium meeting at Weaverham High School. During the meeting, the Headteacher shared some valuable work that all local high schools across Cheshire have been developing, focusing on building resilience and independence in learners.

This important work aims to support children as they transition to secondary school, helping to ensure they are well prepared for the challenges of a new environment. Once the document is finalised, we will share it with parents in the Autumn term so that, together, we can continue to support our pupils in thriving as they move on to the next stage of their education
