Harvest

Year 5 and 6 hosted a brilliant harvest festival at St Peter's church on Thursday afternoon. The theme of this year's performance was Kindness and the children wowed their audience with great singing, dancing, poems and musicians. Thank you to parents for your support and for all of your donations for Warrington Food Bank, they will be very much appreciated.

Lymm Clothing Charity

Following on from the message of Kindness delivered in our Harvest assemblies and service at St Peter's, Lymm Clothing Charity have gifted Oughtrington a donation of £200.00 per year group to help assist those students and families who struggle with uniform and other related issues.

This very kind gesture is gratefully received, if you require assistance with school uniform please contact us via email oughtrington.office@thebeamtrust.co.uk

School Meals

Dear parent/carers

Please be advised that the cost of a school meal is set to increase from £2.80 to **£3.05** per meal from 1st of October 2025. This will result in an overall weekly increase of £1.25 per child.

This does not affect children accessing Free School Meals. The government continues to support the universal infant Free School Meals (FSM) project and this means that all children from reception, year 1 and year 2 will be provided with a school meal free of charge. Any child in years 3-6 can also have a free school meal if you are in receipt of certain allowances. To find out if you are eligible, please visit: <https://www.warrington.gov.uk/freeschoolmeals>*

The council has been subsidising the service over the last few years to try and keep the cost of a meal down. However, increases in food and staffing costs mean that we unfortunately have no option but to increase the price of a school meal.

The three weekly rolling menu detailing each day's main course and dessert, with the additional daily offer of a vegetarian option and jacket potato will remain in place. The school meals service will continue to provide a high-quality service that delivers healthy, nutritious meals, caters for all allergens and dietary requirements, and is served in a safe environment on our school premises. We will continue to offer theme days, treat lunches and inviting families to join children for special lunches through the year.

*If your child is eligible for means tested free schools meals you could also be eligible for other funded support, such as [Household Support Fund](#) (funding for food and utility bills) and [Holiday Activities and Food](#) (summer holiday free activities and food). There are also other financial support schemes available, which you can find on the council website: warrington.gov.uk/localsupportscheme

Les Copains French Clubs

About the French Club

Les Copains is a French club that runs every Monday lunchtime and Thursday after school. We introduce French in a fun way by exploring the language through games and activities. Sessions are designed using detailed lesson plans that are structured to stimulate children's natural enthusiasm for language. At Key Stage Two the focus shifts towards writing skills and grammar although the emphasis remains on learning in a fun and stimulating way.

The Les Copains formula has proved to be hugely popular with children of all ages and ability. It doesn't matter if your child has had no previous exposure to the French language, the programme is designed with a lot of repetition and children soon pick up the basics from the activities.

Our three stage approach to learning begins in pre-school at age 3. It's never too early to introduce a second language, in fact, research has shown the earlier the better.
