## Year 1 Visit the Heritage Centre in Lymm

Year 1 have had exciting visits to Lymm Heritage Centre, learning about shopping in the past. It was fantastic to hear about how Lymm village has changed over the past 100 years during our tour around the shops. We also had great fun becoming greengrocers in the past and exploring household items used over one hundred years ago! A huge thank you to all of the volunteers at Lymm Heritage Centre who provided the children with unforgettable memories. What an amazing first class trip it was!

## Indoor Athletics County Finals

We are incredibly proud of our Year 6 Indoor Athletics team reaching the Cheshire Finals in Ellesmere Port last week. They competed against schools from across the county and showed amazing talent, determination and sportsmanship; there were personal bests in a number of events. The team finished in 3rd place (the highest Oughtrington has ever placed in the Cheshire Finals) coming away with well earned bronze medals.

Well done everyone!

## Information from Public Health

**UK Health Security Agency** **Meningitis now**

**MENINGITIS + SEPTICAEMIA**

Meningitis is a serious condition where the protective layers around the brain and spinal cord become inflamed. Septicaemia is when the bacteria enter the bloodstream to cause blood poisoning. They can happen to anyone, so it's important to know the symptoms and risks.

Early symptoms, such as fever, vomiting, aches, muscle pain, cold hands and feet and headaches, can look similar to common illnesses like colds or flu. But someone with meningitis or septicaemia will usually become seriously ill in a matter of hours. That's why it's crucial to keep checking on anyone who is unwell.

**MENINGITIS SYMPTOMS?**

- fever
- a very bad headache (this alone is not a reason to get medical help)
- vomiting
- stiff neck
- dislike of bright lights
- rash (DO NOT wait for a rash to appear before seeking medical advice)
- confusion, delirium
- severe sleepiness, losing consciousness
- fits

**SEPTICAEMIA SYMPTOMS?**

- fever and shivering
- severe pains and aches in limbs and joints
- vomiting
- very cold hands and feet
- pale or blotchy skin
- rapid breathing
- diarrhoea and stomach cramps
- red or purple 'bruised' or blotchy rash on skin that does not fade under pressure - do the glass test. On dark skin, check paler areas of the skin, such as the palms of the hands, soles of the feet, inside the mouth (roof), and the eyelids
- difficulty walking or standing
- severe sleepiness, losing consciousness

If you become worried about yourself, your child, or a friend, particularly if symptoms are getting worse, seek medical help urgently.

**EARLY TREATMENT CAN BE LIFE-SAVING.**

## School Car Park Access

Please be reminded that access to the school car park requires a valid parking pass.

If your child or family has a blue badge or other special considerations, you must apply for a pass through the school office.

Passes are issued on a termly basis and allow safe and controlled use of the car park for those with eligible needs.

We thank all parents and carers for your cooperation in keeping our school site safe for everyone.

## Uniform

Due to the number of items currently in school, we are unable to accept uniform donations until further notice. Our pre-loved rail is available every day in the school office, we have a number of summer dresses available at the moment.

Please be sure to label all items of uniform for your child, it makes it much easier for us to reunite lost items with their owner.

Thank you

## Important message from Warrington School Meals

**Please see the below message sent from Warrington School Meals**

Dear parent/carer

Please be advised that the cost of a school meal is set to increase from £3.05 to **£3.20** per meal from 23rd February 2026. This will result in an overall weekly increase of £0.75 per child.

This does not affect children accessing Free School Meals. The government continues to support the universal infant Free School Meals (FSM) project, and this means that all children from reception, year 1 and year 2 will be provided with a school meal free of charge. Any child in years 3-6 can also have a free school meal if you are in receipt of certain allowances. To find out if you are eligible, please visit: <https://www.warrington.gov.uk/freeschoolmeals>\*

The council has been subsidising the service over the last few years to try and keep the cost of a meal down. However, increases in food and staffing costs mean that we unfortunately have no option but to increase the price of a school meal.

The three weekly rolling menu detailing each day's main course and dessert, with the additional daily offer of a vegetarian option and jacket potato will remain in place. The school meals service will continue to provide a high-quality service that delivers healthy, nutritious meals, caters for all allergens and dietary requirements, and is served in a safe environment on our school premises. We will continue to offer theme days, treat lunches and inviting families to join children for special lunches through the year.

\*If your child is eligible for means tested free schools meals you could also be eligible for other funded support, such as [Household Support Fund](#) (funding for food and utility bills) and [Holiday Activities and Food](#) (summer holiday free activities and food). There are also other financial support schemes available, which you can find on the council website: [warrington.gov.uk/localsupportscheme](http://warrington.gov.uk/localsupportscheme)

**WE NEED  
VOLUNTEERS!**

Oughtrington Primary School is taking part in the Lymm Festival, and we cannot do it without your help!

**How you can get involved**

**Know any entertainers who could perform?**

-  Own or work for a local business?
-  Have a talent or skill you'd like to showcase?
-  Got any ideas for outdoor games?
-  Any other suggestions?

All money raised will go to the school, subsidising trips, activities, and more!

If you can help, contact: [hello.oughtypta@hotmail.com](mailto:hello.oughtypta@hotmail.com)

## Oughtrington Pond

As some of you may have seen, we have begun to rejuvenate our Pond area. This is a slow process but we are making good progress, a huge thank you to Oughty PTA for supporting this project.

We are looking for donations of any of the below to help on our journey -

- A garden storage unit (any material) for storing tools/pots etc.
- Hardy low maintenance plants (no need to buy anything - if you have something in your garden you could dig up a bit of, that would be great)
- Any garden decorations you no longer need. Or if you are feeling crafty, could you make something? We would love the children to paint some rocks to be placed around this area, are you good with wood - could you create us something?

Our theme is reading, nature and science and the aim is for the children to have a beautiful space to support their learning journey. If you feel able to support in any way, have a business

that could sponsor/assist or simply have great ideas please contact Mrs Proud in the office on 01925 752086 or email [oughtrington.office@thebeamtrust.co.uk](mailto:oughtrington.office@thebeamtrust.co.uk)

Les Copains French Clubs

### About the French Club

Les Copains is a French club that runs every Monday lunchtime and Thursday after school. We introduce French in a fun way by exploring the language through games and activities. Sessions are designed using detailed lesson plans that are structured to stimulate children's natural enthusiasm for language. At Key Stage Two the focus shifts towards writing skills and grammar although the emphasis remains on learning in a fun and stimulating way.

The Les Copains formula has proved to be hugely popular with children of all ages and ability. It doesn't matter if your child has had no previous exposure to the French language, the programme is designed with a lot of repetition and children soon pick up the basics from the activities.

Our three stage approach to learning begins in pre-school at age 3. It's never too early to introduce a second language, in fact, research has shown the earlier the better.

## Trans Pennine Trail Kids' Easter Activity Pack

We're delighted to share our brand-new **Kids' Easter Activity Pack**, filled with fun nature-themed activities, crafts, recipes and puzzles for families to enjoy during the holiday. It's a great way to inspire children to get creative, explore the outdoors, and learn more about the outdoors and the Trans Pennine Trail.

With colourful characters leading the way, this activity pack inspires kids to discover spring wildlife, get creative, and enjoy the magic of the outdoors as it wakens up after its winter slumbers. There are opportunities to share their adventures and to earn a digital certificate.

The packs are ideal for Key Stage 1 and 2, but there's something for everyone – whether you're a teacher, parent, or young explorer. They're perfect for use on the Trail, in your local park, or

even indoors on a rainy day. Every pack is designed to help everyone learn, play, and make memories while exploring the outdoors.

The activity pack can be used 'on the go' by downloading it to a mobile or can be printed at home. **We'd obviously prefer parents to download the pack themselves so if you could share the link with them, it would be appreciated.** But we can send out printed copies to people who don't have a printer or are unable to access the website if they get in touch with us.

Download it from our Children's page at: [Welcome to our Children's Page | Trans Pennine Trail](#)
