Newsletter Friday 2nd April 2026

It has been another busy term for pupils and staff across the school, with so much happening to ensure our young people achieve their very best, and are set up for personal and academic success. Praise assemblies have evidenced the hard work, commitment, resilience and ambitions of our pupils- they want to do well, they are here to do their best, and so many of them can be very proud of doing this day-in and day-out.

I would also like to take this opportunity to thank our very talented team of staff across the school for making all this possible. We are incredibly lucky to have such wonderful 'Team Oughty'.

I wish you all a restful Easter holiday and look forward to welcoming the children back to school on Monday 20th April at 8.50am.

PAN Arts

We are delighted to share that our children's artwork is currently on display as part of the Primary Arts Network exhibition, located just outside Starbucks in Golden Square.

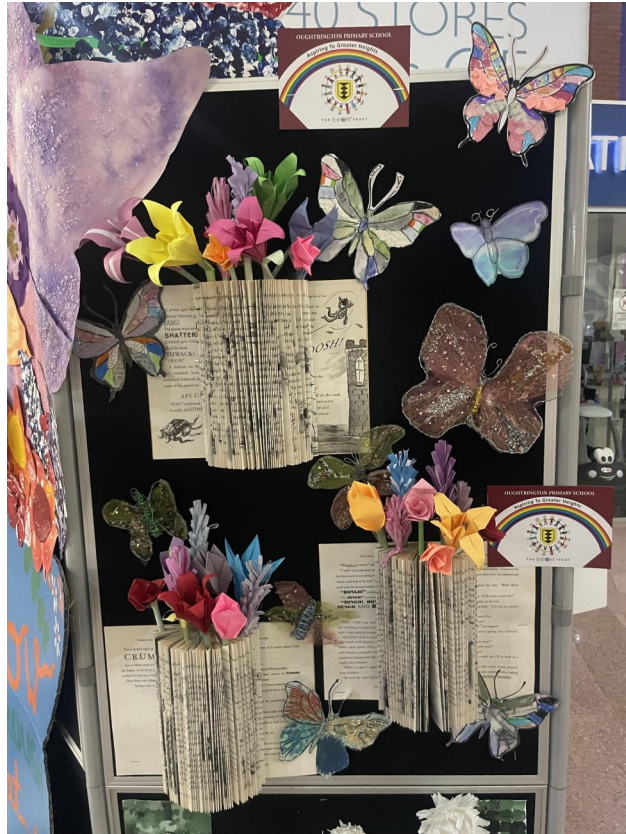

Inspired by our school value of resilience and the powerful idea that "once spoken, forever echoed," our pupils have created meaningful and thoughtful pieces that reflect how words and actions can leave a lasting impact on others.

Each piece on display is a celebration of creativity, hard work and growth. Our staff have worked closely with the children to bring these ideas to life, resulting in a truly inspiring collection.

We warmly invite all parents, families, and friends to visit the exhibition and see the children's wonderful work for yourselves.

The work will be displayed until Tuesday 21st April.

PAN Arts Performance

WOW! What a night.

After months of dedicated practice, the night of the PAN Arts Performance finally arrived! Our talented students took to the stage and truly shone as they sang, danced, and played their instruments, making everyone at Oughtrington incredibly proud.

Huge thanks to our amazing staff and volunteers for their hours of preparation and support who made this special evening possible.

Year 5 Speak Life Showcase

Year 5's Uplifting Singing Performance

Our Year 5 children recently enjoyed a special visit to Lymm Baptist Church, where they performed a wonderful selection of life-affirming songs for their parents. The atmosphere was truly uplifting, and the children should be incredibly proud of themselves.

Their singing was amazing, and their behaviour and attitudes throughout the event were exemplary. They showed great enthusiasm, confidence, and respect, making it a memorable experience for everyone who attended.

We would like to say a big thank you to all the parents who came along to support the children- it meant so much to them. A special thank you also goes to those who kindly helped walk the children to and from the church.

Finally, we are very grateful to Simon, our singing coach, for his hard work and dedication in preparing the children so well.

Well done, Year 5!

Sports Week

Sports week commences on 20th April (first week back) with lots of exciting activities planned for the children. Sports days will also happen within this week. These will start at 9.30am. After school drop off, we will be closing the gates until 9.25am so we ask that all spectators leave the site until this time.

Sports mornings have been planned as follows. Each phase group will send out more information via Class Dojo.

Tuesday 21st April Years 5/6

Wednesday 22nd April Years 3/4

Thursday 23rd April EYFS and KS1

School Car Park Access

Please be reminded that access to the school car park requires a valid parking pass.

If your child or family has a blue badge or other special considerations, you must apply for a pass through the school office.

Passes are issued on a termly basis and allow safe and controlled use of the car park for those with eligible needs.

We thank all parents and carers for your cooperation in keeping our school site safe for everyone.

Uniform

Due to the number of items currently in school, we are only able to accept jumpers/cardigans at this time. Our pre-loved rail is available every day in the school office, we have a number of summer dresses available at the moment.

Please be sure to label all items of uniform for your child, it makes it much easier for us to reunite lost items with their owner.

Thank you

Oughtrington Pond

As some of you may have seen, we have begun to rejuvenate our Pond area. This is a slow process but we are making good progress, a huge thank you to Oughty PTA for supporting this project.

We are looking for donations of any of the below to help on our journey -

- A garden storage unit (any material) for storing tools/pots etc.
- Hardy low maintenance plants (no need to buy anything - if you have something in your garden you could dig up a bit of, that would be great)
- Any garden decorations you no longer need. Or if you are feeling crafty, could you make something? We would love the children to paint some rocks to be placed around this area, are you good with wood - could you create us something?

Our theme is reading, nature and science and the aim is for the children to have a beautiful space to support their learning journey. If you feel able to support in any way, have a business

that could sponsor/assist or simply have great ideas please contact Mrs Proud in the office on 01925 752086 or email oughtrington.office@thebeamtrust.co.uk

Les Copains French Clubs

About the French Club

Les Copains is a French club that runs every Monday lunchtime and Thursday after school. We introduce French in a fun way by exploring the language through games and activities. Sessions are designed using detailed lesson plans that are structured to stimulate children's natural enthusiasm for language. At Key Stage Two the focus shifts towards writing skills and grammar although the emphasis remains on learning in a fun and stimulating way.

The Les Copains formula has proved to be hugely popular with children of all ages and ability. It doesn't matter if your child has had no previous exposure to the French language, the programme is designed with a lot of repetition and children soon pick up the basics from the activities.

Our three stage approach to learning begins in pre-school at age 3. It's never too early to introduce a second language, in fact, research has shown the earlier the better.

Trans Pennine Trail Kids’ Easter Activity Pack

We’re delighted to share our brand-new **Kids’ Easter Activity Pack**, filled with fun nature-themed activities, crafts, recipes and puzzles for families to enjoy during the holiday. It’s a great way to inspire children to get creative, explore the outdoors, and learn more about the outdoors and the Trans Pennine Trail.

With colourful characters leading the way, this activity pack inspires kids to discover spring wildlife, get creative, and enjoy the magic of the outdoors as it wakens up after its winter slumbers. There are opportunities to share their adventures and to earn a digital certificate.

The packs are ideal for Key Stage 1 and 2, but there’s something for everyone – whether you’re a teacher, parent, or young explorer. They’re perfect for use on the Trail, in your local park, or

even indoors on a rainy day. Every pack is designed to help everyone learn, play, and make memories while exploring the outdoors.

The activity pack can be used 'on the go' by downloading it to a mobile or can be printed at home. **We'd obviously prefer parents to download the pack themselves so if you could share the link with them, it would be appreciated.** But we can send out printed copies to people who don't have a printer or are unable to access the website if they get in touch with us.

Download it from our Children's page at: [Welcome to our Children's Page | Trans Pennine Trail](#)
