Les Copains French Clubs

About the French Club

Les Copains is a French club that runs every Monday lunchtime and Thursday after school. We introduce French in a fun way by exploring the language through games and activities. Sessions are designed using detailed lesson plans that are structured to stimulate children's natural enthusiasm for language. At Key Stage Two the focus shifts towards writing skills and grammar although the emphasis remains on learning in a fun and stimulating way.

The Les Copains formula has proved to be hugely popular with children of all ages and ability. It doesn't matter if your child has had no previous exposure to the French language, the programme is designed with a lot of repetition and children soon pick up the basics from the activities.

Our three stage approach to learning begins in pre-school at age 3. It's never too early to introduce a second language, in fact, research has shown the earlier the better.

VILLAGE ACCESSIBILITY

LYMM PARISH COUNCIL

Are you a Lymm resident and have a disability, be it visible or invisible?
If so, the Parish Council would like to hear from you.

We plan to set up a small 'contact group' to identify the issues faced and additional support needs where the Parish Council might be able to help. We wish to identify what changes could be made or help provided that is within our remit.

As a Parish Council, we are restricted in what we can achieve. Such help or changes would be limited to things within the Parish Council's remit however we can discuss bigger ideas with Warrington Borough Council.

Lymm Parish Council has the support of Warrington Disability Partnership for this venture

If you would like to be involved, please get in touch with:

Survey for parents and carers of children aged 5 and under.

Have your say about raising young children in Warrington

We want to hear from parents and carers of children aged 5 and under about what it's like to raise young children in Warrington.

The survey is anonymous, takes around 5–10 minutes, and asks three simple questions about:

- what works well for young children and families in Warrington
- what feels difficult or not so good
- what would help make Warrington a better place for young children to grow up

Your views will help Warrington Borough Council understand what matters most to families and improve local services, spaces and support for young children.
