St Luke's Church of England Primary School

At St Luke's Church of England Primary School, we recognise the contribution of PE to the health and well-being of the children. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children.

Our Primary School Sport's Funding will enable us to continue and extend our provision through employing additional sports professionals, entering into more competitive sports competitions and training our staff to deliver in-house quality PE sessions.

The government has provided additional funding to improve the provision of physical education (PE) and sport in primary schools. This funding is provided jointly by the Departments for Education; Health; and Culture, Media and Sport.

Eligibility for Funding:

Funding for schools is calculated by reference to the number of primary-aged pupils (in Years 1 to 6), as recorded in the schools census in May 2025.

Purpose of Funding:

Schools must spend the funding on improving the quality and breadth of the PE and sport activities they offer their pupils, so that all pupils develop healthy lifestyles and reach the performance levels they are capable of. Schools are free to choose the best way of using the money.

Accountability:

Since September 2013, schools have been held to account over how they spend their additional funding. Ofsted have strengthened the coverage of PE and sport within the 'Inspectors' handbook' and supporting guidance, so that both schools and inspectors know how PE and sport is assessed as part of the school's overall provision.

Physical Education and Sport at St Luke's C of E Primary

PE and sport develops our children's knowledge, understanding and skills so that they can perform with increasing competence and confidence in a range of physical activities. These areas of the curriculum promote an understanding in children of their bodies in action - involving thinking of, selecting and applying physical skills. Additionally, they promote positive attitudes towards a healthy lifestyle, enabling children to make informed choices about physical activity now and throughout their lives.

Leigh, Lowton and Golborne (LLG) Sport

St Luke's is a member of the LLG schools cluster. The Headteacher manages and organises all the LLG inter school competitions and festivals for all 29 schools in the LLG cluster. He is also a member of the Greater Manchester Strategy group whose is to provide clear leadership, management and advocacy to ensure that the overall vision of the School Games and School Sport ambitions are understood, shared and achieved.

Total amount carried over from 2024/25 - £0

Total amount received 2025/26 – Check with Kate

Objectives 2024/25

- 1. To provide outstanding Physical Education and to develop and understanding of Health and Well-Being in each child.
- a. Promote Well-Being as a whole school approach.
- b. Embed physical literacy, emotional and thinking skills to succeed in P.E, sport and wider school life.
- 2. To continue to offer our children excellent opportunities to participate in extra-curricular P.E and school sport.
- a. Ensure year 5 and Year 6 have the chance to participate in football club, and prepare for the beginning of the football league.
- b. Plan for children in all year groups to have the chance to participate in extra-curricular activity before the end of Autumn term..
- 3. To enter a wide range of LLG and school games competitions/leagues.
- a. Build on the success of last year in sporting competitions.
- 4. Allow Year 6 children who have not achieved the NCA standard for swimming the chance
- 5. To continue to develop a love for sport and physical activity.
- 6. Improve the already high standards of P.E across the school.
- a. Ensure all teaching staff are confident and able to deliver high quality P.E and support sports coach in delivery and assessment.
- 7. Ensure progression map, medium term and long-term planning format, is understood and adhered to across the school.
- 8. Promote sporting events occurring in the world and create intra-school activity/competition based around them.
- a. To maintain a whole school approach to the teaching of P.E and sport.
- b. To include active lessons across the wider curriculum.
- 9. Introduce sports crew and young leaders during the autumn term. Allow children to actively assume their roles before the beginning of the spring term.
- a. Ensure Year 6 children gain young leaders training.
- b. Ensure sports crew members are aware of responsibilities and take ownership for their class.

- 10. Ensure all classes have the necessary equipment to meet our curriculum and allow children to progress.
- a. Ensure dinner-time staff are suitably equipped to allow children to choose from a wide-range of activities.
- 11. To promote physical exercise and healthy lifestyles.
- 12. To promote self-regulation of keeping healthy.

improvement.

We compete in a wide range of activities, giving children the chance to find something they have a passion for. We must continue to add to this as the world continues to evolve, and the interest of children change. Equally we must continue to develop our participation in traditional events, to ensure the survival and future participation of certain activities.

children the opportunity to participate against children of a similar skill level.

- Continue to evidence sport and participation in the school newsletter and website.
- Premier sport staff to register children who have taken part during dinnertimes.

look for further opportunities.

Children will have the opportunity to experience activities they otherwise may not. Taking part in traditional activities and new concepts alike, will give the children more opportunity to find passion in P.E and sport.

Given success, children will gain a sense of achievement at the highest level. This will encourage our children to pursue more opportunities in P.E and sport.
