Dear Parents and Carers,

We are absolutely delighted to share with you the outcomes of our recent Statutory Inspection of Anglican and Methodist Schools (SIAMS). The full report is attached for your reference, and we are thrilled to say that it is an excellent report, reflecting the outstanding work and community spirit at St Luke's.

The inspection highlights the strength of our Christian vision, inspired by John 13:34-35: "Love one another. As I have loved you. By this everyone will know that you are my disciples." This vision is not only at the heart of everything we do but is deeply embedded across the whole school. It guides our relationships, our learning and our commitment to caring for one another. The inspector particularly noted how our vision fosters a strong culture of care, compassion and wellbeing, supporting both children and adults to flourish.

The report emphasises the impact of our collective worship, which is inspirational, engaging, and inclusive. Collective worship at St Luke's promotes spiritual development and reflection for all members of our community—pupils, staff and families alike. It was wonderful to see our pupils leading worship with pride and confidence, demonstrating the joy and hope that underpin our school life.

Our RE curriculum was also praised for its high quality and ambition. Pupils are not only learning about Christianity as a global faith with diverse traditions but also developing a respectful and positive attitude towards all faiths. The inspectors recognised the creativity and care that our staff bring to teaching, helping children to explore religious and ethical issues thoughtfully, respectfully and with curiosity.

This report is a celebration of the whole St Luke's community. It reflects the dedication of our staff, the commitment of our governors, the support of our parents and the wonderful attitudes and achievements of our pupils. We are especially grateful to everyone who played a part in the inspection process — your engagement, encouragement and collaboration were key to this success.

We are proud to see how our Christian vision of 'loving one another' continues to shape our school culture, fostering strong relationships, mutual respect, and a nurturing environment where everyone can thrive. This report inspires us to continue building on our strengths, supporting each other and ensuring that St Luke's remains a place where children and adults alike can grow, learn and flourish together.

Thank you once again for your continued support and partnership in making St Luke's such a remarkable school.

With warm regards,

*S. Hardaker*
