## School Absence and Appointments During the School Day

**Please could we remind parents and carers that if your child is going to be absent from school or needs to be picked up during the school day for an appointment, you must notify the school office.**

**Messages sent via Class Dojo may not be seen and read if the teacher is out of school or is teaching.**

**Attendance records are kept daily by the school office staff and failure to notify them of an absence could result in an unauthorised 'No Reason Given' code on your child's attendance record.**

**Thank you for your continued support and understanding.**

## Childhood Illnesses

**Could we please remind parents and carers that if children are off school following sickness or diarrhoea they must remain off school for 48 hours following the last incident.**

**If your child is suffering from a high temperature or headache please seek medical advice before sending them into school — please do not mask the symptoms by administering paracetamol.**

**Please could we remind parents to be vigilant in checking for and treating headlice and threadworms.**

**Advice and medication can be sought from your GP, School Nurse or Pharmacist. Information on childhood illness and infection can be found by following this link: [https://www.publichealth.hscni.net/sites/default/files/Guidance\\_on\\_infection\\_control\\_in%20schools\\_poster.pdf](https://www.publichealth.hscni.net/sites/default/files/Guidance_on_infection_control_in%20schools_poster.pdf)**

## School Drive and Car Park

**Could we please ask that parents are courteous to other drivers when using the school drive and car park.**

**Please use the marked out car parking spaces when dropping off or picking up to avoid congestion in the car park. Also, please do not park in the areas where there are traffic cones.**

**If you are exiting the car park and a vehicle is entering the school drive, please use the passing place on the driveway to allow the vehicle on Church Lane to enter the site. It is against the Highway Code for a vehicle to reverse back onto a main road.**

**Thank you for your co operation.**
