Changes to Collection of Children from School

Please could we ask that if you need to make changes to the collection of your children from school, that as much notice as is possible is given to the school office. We appreciate that this is not always possible, but if a last minute phone call is made to change arrangements it may not always be answered in time for the end of the school day.

Please would you remind your children that if the person that they are expecting to pick them up after school is not on the playground that they must come back into school and inform their class teacher or the school office. Thank you.

Café Church

Please join us tomorrow morning (Saturday 12th September) in St Luke's Church for Café Church.

Everyone is welcome to attend, refreshments are served from 9.30am and activities and Worship will begin at 10.00am.

Music Tuition

If your child applied to continue or start music lessons this half term, lessons started this week.

Music tuition fees are available to pay on School Hub.

Please note that lessons must be paid for in advance.

Please contact the school office if you have any questions regarding your child's music fees or lessons. Thank you.

Nut Aware School

Could we please remind all parents and carers that we are a nut aware school and ask that you do not send anything in to school that contains or may contain nuts. Please check packaging and ingredients lists before sending items into school in lunch boxes.

Thank you.

School Photographs

Individual school photographs will be taken on Wednesday 16th September.

If you would like siblings photographed together please inform your child's teacher in writing.

School will be open from 8.15am for pre-school children to be photographed with their school aged siblings. Access to school will be via the main entrance.

Please send your children to school in the correct school uniform. If your child has PE on Tuesday, please send their PE kit in to school with them.

Wanted — Board Games and Jigsaw Puzzles

If anybody has any board games or jigsaw puzzles that they no longer need please could they be donated to school for our lunchtime library club.

Thank you.

Parking

Thank you to all of our parents and carers who are careful and courteous to our neighbours when dropping off and picking up from school. Following a request from neighbours, please could we ask that parents and carers are mindful that they do not block driveways or junctions, leave engines idling or drive at speed on residential streets.

Thank you.

Dogs

Please could we remind parents and carers that pet dogs are not allowed on the playground or cycle path for health and safety reasons.

Can we kindly request that if you bring your dog to school, to drop off or pick up your children, that you do not stand next to the entrance to the school path as we have a number of children in school who feel anxious near dogs.

Thank you for your understanding and co operation.
