Thursday 22 October 2026

Dear Parents and Carers,

I am writing to inform you that Wigan Council has decided to remove our school crossing patrol following the introduction of the new puffin crossing.

We are deeply disappointed to be losing Mrs Kelly from this role. She has shown such dedication and commitment to keeping our children, families and wider community safe over the past few years. Her friendly welcome and care have made her a much-valued part of daily life at St Luke's and we offer her our heartfelt thanks.

Thankfully, this does not mean we are saying goodbye to Mrs Kelly! She will continue in her welfare role at school and will also support us on a voluntary basis. We are delighted that she will remain very much part of our St Luke's school family.

We hope that the new puffin crossing, together with the Council's widening of the pavement to provide more space to wait safely, will make crossing the road safer for everyone.

Thank you for helping us keep our children and community safe. Please continue to use the crossing on your journeys to and from school, waiting for the green pedestrian signal before crossing.

I would also like to thank you for your wonderful support throughout this first half term. It has been a magnificent few weeks at St Luke's, particularly with our 275th anniversary celebrations. Sharing these special occasions with our children, families, staff and wider community has created memories that we will treasure for years to come.

I hope you all enjoy a restful and happy half term. We look forward to welcoming the children back on Monday 2 November.

Your sincerely,

S. Hardaker

Mr S Hardaker
