- Thank you to everybody who has sent in donations for the Poppy Appeal, Poppies will remain on sale up to and including 11th November.
- Cauliflower Card orders have all been sent home with the children this week.
- We are extremely proud of our school football team who showed fantastic personal development and sportsmanship during the football match after school yesterday. The team played extremely well and were an absolute credit to our school.

In The Interest of Safeguarding - Childhood Illnesses

Could we please remind parents and carers that if children are off school following sickness or diarrhoea they must remain off school for 48 hours following the last incident.
If your child is suffering from a high temperature or headache, please seek medical advice - please do not mask the symptoms of a high temperature by administering paracetamol in order to send your child into school.
If your child is off due to sickness or a contagious illness such as chicken pox and you still need to bring a sibling to school, please contact the school office to arrange drop off and pick up via the school office.
Please could we remind parents to be vigilant in checking for and treating headlice and threadworms.
Avice and medication can be sought from your GP, School Nurse or Pharmacist.
