

As Mathematicians we will Be continuing to focus on our multiplication and division skills, before moving onto learning about length, perimeter and fractions. We will also be continuing to master our times tables!

In Religious Education we will be focussing on forgiveness, salvation and resurrection, with particular focus on the Easter Story.

As Scientists we will We will be looking at the classification of different animals and plants starting with the characteristics of invertebrates. Then, we will be sorting them using a branching key. After, we will be exploring plants in our local area. We will be considering the positive and negative impact humans have had on the local environment.

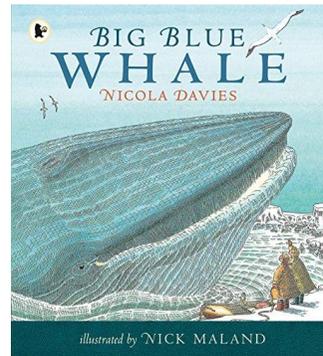

As Geographers we will Be exploring our planet. We will start by recapping our prior knowledge of the Northern and Southern Hemisphere making sure that we can identify the Equator. Then, we will be moving onto looking at the Tropics of Cancer and Capricorn. We will be exploring their significance and the oceans that can be found in the different tropics. After that, we will be looking at the wildlife and climate of the Atlantic Ocean before comparing it to the Indian Ocean. We will be looking at how the Tropics have an impact on climate on temperature. Finally, we will be looking at the layers of the ocean.

As Writers we will be exploring the book 'Big Blue Whale' by Nicola Davies, writing our own persuasive information article about the protection of the blue whale. In year 3 we will focus on building an increasing range of sentence structures, using headings and sub-headings and assessing the effectiveness of our writing. In year 4 we will focus on expanding noun phrases, building an increasing range of sentence structures and choosing nouns and pronouns effectively.

St Oswald's Primary School, Worleston

Year group: 3/4 Term: Spring Half term 2 Topic: Oceans

In Computing we will Be learning about online safety. We will talk about our self-image and identity when online and discuss why it is important about who to trust online.

As Sports People we will be starting our Year 3 swimming lessons, which will take place every Monday afternoon. Year 4 will focus on games skills, especially net games. We will continue working with our PE coaches on a Tuesday afternoon.

As Musicians we will be continuing to practise our SingFest songs, ready for our big performance at South Cheshire College on Monday 23rd March! We will also explore music linked with planet exploration, focussing on describing pieces of music and copying rhythms.

As Artists and Designers we will Be researching the work of the great artist Hokusai and creating a portfolio on him. We will be comparing and contrasting some of his most famous pieces of work considering his techniques and inspiration. We will specifically be focussing on his artwork of the wave. We will be looking at how we can use a range of tints and details to make it look realistic. We will then be having a go at creating our own using a range of details and techniques.
