LKS2 The Egyptians

Exciting books related to our topic

Sticky Knowledge

The ancient Egyptian civilisation began 5,000 years ago when people started building villages next to the River Nile in north-east Africa.

The ancient Egyptians were ruled by kings and queens were called pharaohs.

The River Nile was an important source of water in a hot and dry desert landscape. The ancient Egyptians were able to grow lots of crops like wheat, barley, fruit and vegetables.

There was a large variety of jobs in Ancient Egypt and a hierarchy of jobs.
