Issue No. 4 | Friday 26th September 2025

Generosity

As part of our focus on Generosity this week, some pupils in EYFS have been making cards for some very special people; our local farmers! We have linked generosity to our Harvest work, and the children wanted to make something for the farmers who have recently been busy harvesting maize to make lots of different food for us to eat. We will be presenting these after our Harvest Service on Wednesday - look out on Facebook for photographs!

Thank you God for the Harvest

This year, each class in Key Stage 1 and 2 have been learning about a different bible story that links to generosity and thanking God. We will be sharing all we have learnt in our Harvest Service on Wednesday 1st October at 2pm. Afterwards, we are inviting you back into school for tea and biscuits, and to help us make some cards to go with the food hampers for Nantwich Foodbank - both them and Morrisons have asked us to make some cards to go with food parcels.

PTA AGM

We're delighted to invite all parents, carers and grandparents to our PTA Annual General Meeting (AGM), taking place on Thursday at 6.30pm in school.

The AGM is a fantastic opportunity to hear about the work of the PTA over the past year. We'll be sharing a summary of our fundraising events, the total amount raised, and how those funds have been used to support our school. It's also a chance to look ahead — we'll be unveiling our exciting plans for this academic year and discussing the projects we're aiming to fund, both in the short term and for the future. Whether you're a regular supporter or simply curious to learn more, we'd love to see you there. The meeting will last no longer than an hour, and refreshments will be available. It's a friendly and informal way to get involved and find out how you can help make a difference.

Everyone is welcome — parents, carers, grandparents — and we can't wait to see you!

FILM NIGHT - FRI 3rd OCT

Our pupil Leadership Team have helped the staff and PTA organise a Film Night next Friday 3rd October 3.15-6pm in school.

The movies chosen by the children are:

K-POP Demonhunters (PG)

Or

Zootropolis (U)

Tickets cost £5 and include a snack pack and unlimited squash or water.

Please purchase your tickets via the school office - cash only please.

All money raised is going towards class pets (and their cages/tanks!), as chosen and voted for by pupils. Profits will be split between the 4 classes, who will then be responsible for choosing and learning about their pet and then looking after it when they've bought it.

Many thanks for your support.

And Finally

This year, our School Development Plan focuses on three key priorities aimed at improving outcomes for all pupils. Firstly, we are strengthening Spelling, Punctuation and Grammar (SPaG) knowledge across Key Stages 1 and 2. This will help children become more confident in self-editing, up-levelling their writing, and enhancing it for greater effect. We believe this will have a significant impact on the quality of writing across the school, and we look forward to sharing progress with you as the term continues.

Our second focus is on improving communication with all stakeholders - including governors, the parent council and pupil groups — to ensure everyone feels informed and involved. We're also working towards achieving the Leading Parent Partnership Award, which is an exciting step in strengthening our school community. Finally, we're reviewing our curriculum and procedures to support positive behaviour and inclusion, making sure every pupil feels safe, supported and able to thrive.

More details will be shared following our Governors' meeting on Thursday, once the plan has been formally agreed.
