Generosity

This week, we've been reflecting on the theme of generosity in our community, inspired by the idea of letting God's love shine through us to light up the lives of those around us. Through our actions, words, and kindness, we can be a beacon of hope and joy in our school and beyond. In preparation for the upcoming Service in Bunbury next week, the children have been learning a beautiful new song and a heartfelt poem that celebrate this message. We look forward to sharing these with you and coming together as a community to celebrate the light we can bring to others.

We're getting a new Library!

Exciting News - Our School Is Joining the Libraries for Primaries Programme!

We're thrilled to share that our school has been selected to take part in the Libraries for Primaries programme this year!

This fantastic initiative will help us enhance our library provision and foster a lifelong love of reading among our pupils.

As part of the programme, our school will receive 500 free books, library furniture, and an audio package to support reading for pleasure. Staff members Mrs Fields and Mrs Shaw will be taking part in specialist training to help us make the most of these resources. Over the coming months, we'll be involved in a range of activities including online learning, training sessions, and networking events with other schools. We're excited about the opportunities this brings and look forward to sharing updates with you as the programme unfolds.

Open Days coming up

If you know of anyone needing a Reception school place in September 2026, why not recommend our school and invite them to one of our open days! Please also share and tag people into our social media posts too - let people know where we are and what a special place St Oswald's is!

PTA Updates

Many thanks to our PTA members and volunteers for all of their hard work recently, planning and preparing for events towards the end of term, and for creating an inventory of uniform to sell - we have a lot that needs a new home!

Remember to keep an eye out on DoJo, as almost all of our communication is through there now.

Upcoming:

Pumpkin Disco - Thursday 23rd Oct 4.30-6pm

Spooky Cupcake Decorating - Friday 24th Oct

Don't forget to book a place at our Christmas Events too!

And Finally

Parents Evenings - Monday 20th and Wednesday 22nd October 3.30pm onwards

We're looking forward to welcoming you to Parents' Evening next week, taking place on Monday and Wednesday. This is a valuable opportunity to share how your child has settled into the new term, celebrate their learning so far, and discuss feedback from recent assessments, including reading. We'll also talk through their next steps for learning both at school and at home. Each appointment is 10 minutes long, and we kindly ask that if you feel you need more time, please arrange an additional appointment, as we'll be following a tight schedule to ensure everyone is seen. We look forward to seeing you and working together to support your child's progress.
