

## YEAR 1 / 2 DOJO HOMEWORK – AUTUMN HALF TERM 2

Homework activities for this term are outlined below.

You will receive 'Dojo Points' for each task completed and at the end of the half term; your homework will be celebrated in class for everyone to see.

If you complete all of the tasks, you will receive a homework celebration certificate and a bonus 10 dojo points!

All tasks need to be completed and returned by Wednesday 10<sup>th</sup> December.

| HOMEWORK TASKS WORTH 1 DOJO POINT                                                                                                                                                                          | HOMEWORK TASKS WORTH 3 DOJO POINTS                                                                                                                                                                                                        | HOMEWORK TASKS WORTH 5 DOJO POINTS                                                                                                                                                                                |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p><b>Science:</b> Go on a walk and look up to the sky. What is the weather doing? Draw a picture when you get home.</p>  | <p><b>Art:</b> Can you create some art work inspired by bonfire night?</p>                                                                             | <p><b>History:</b> Ask a family member what their favourite toy was when they were young. Can you draw and label the toy?</p>  |
| <p><b>RE:</b> Make a Christmas card that shows the Christmas story. You could use paint, crayons, collage. How creative can you be?</p>                                                                    | <p><b>Maths:</b> Can you make an abacus (to 10 or 20) – these were used to count in olden times. You could use:</p> <ul style="list-style-type: none"> <li>• string</li> <li>• a shoe lace</li> <li>• beads</li> <li>• buttons</li> </ul> | <p><b>English:</b> Can you create a picture showing lots of toys (maybe a toy shop or a child's bedroom) and challenge your family to a noun hunt? How many can they spot in 30 seconds?</p>                      |
