

BROADSTONE HALL PRIMARY SCHOOL NEWSLETTER

Week 12 ending Friday 21st November 2025

Welcome to the Broadstone Hall Primary School Newsletter!

HEADTEACHERS NOTE

Dear Parents/Carers, this Christmas, my team and I are asking our school community to please refrain from the self imposed exchange of gifts & multiple presents buying for teachers, TA's & staff members. Instead, if you would like to give this season, we will be setting up a fundraising page so families can make voluntary donations to **Once Upon A Smile**, a Manchester-based children's bereavement charity that provides practical and emotional support to families adjusting to life after the loss of a loved one. We have personally benefited from their work and would like to give back as a community.

A full letter with details of the appeal and how to donate will be sent on **Monday**. Thank you for your understanding and support. www.onceuponasmile.org.uk

HUGE THANK-YOU

After the awful weather last week, we had the very generous offer of a temporary shelter for our parents collecting from The HUB. Little did we know it was going to be so grand! We would like to give Andy & Exquisite Marquees a shout out in our newsletter to say thank-you.

HELP IN COMMUNITY

Early Years had a visit from the Police this week – as we introduce them to people who help in the community. The children loved it, especially having a turn wearing the uniform, holding the handcuffs and baton!

Y6 CRUCIAL CREW

Crucial Crew is a multi-agency safety event aimed at Year 6 children. It is designed to provide children with life skills that will enable them to keep themselves and others safe. The Emergency Services and local agencies delivered a diverse range of scenarios to raise each child's awareness of threats and dangers in a fun and interactive way.

Y5 SCIENCE WORKSHOP

Y5 had a visit from 'Abbie Ayre and the Shed of Science' on Tuesday. The performance offered a fun and engaging presentation to educate and motivate the children to help improve their local air quality safely and sustainably. The project enables children to identify the causes and health consequences of poor air quality and to address ways in which they can avoid contributing to poor air quality, such as using sustainable transport. The performance followed a character Abbie Ayre and her Grandma who is an incredible scientist with a shed full of experiments and adventures.

LESS THAN 2 WEEKS UNTIL THE CHRISTMAS FAIR!

Once again, you have not failed us - amazing generosity shown today with our **Gifts, Toys & Teddies Amnesty**. We thank-you.

INDIVIDUAL & SIBLING PHOTO DAY

We survived – thank-you to Mrs. Chapman for organising everyone so well. Proofs of individuals made it home today - sibling proofs will be sent home Monday, we just ran out of time to distribute them. We have requested a "mop up" for anyone absent – date TBC

NEXT WEEK ON THE CALENDAR
