ART IN YEAR 3

3LW decided to make the most of the sunny weather while it lasted this week; taking their art lesson outside onto the playground with chalk drawings of Ancient Greek vases inspired by the work of Magdalene Odundo.

SCIENCE IN YEAR 1

In a non World Book Day update... Y1 were predicting which seed belonged to which fruit in their science lesson. The children looked at the seeds first then we cut open the fruit to see which seeds were inside. The children were surprised at how big the avocado seed was!

WORLD BOOK DAY SUCCESS!

We had such fantastic day yesterday for WBD 2026. We'd like to thank the Nursery & Reception parents that came in to "Share a Story," with your children.
