

September 2 2026

Attendance

Article 28: Every child has the right to an education.

SCHOOL BEGINS PROMPTLY AT 8.45am FOR YR AND 8.50am FOR KS1 & KS2. The learning starts at 9am so we need the children in class and settled for then.

We need every child in ON TIME every day!

YR: 98.2%

Y1: 94.6%

Y2: 95.3%

Y3: 91.5%

Y4: 98.1%

Y5: 97.6%

Y6: 96.1%

Whole school: 95.5%

Local Authority average: 95.8%

Well done to all the classes this week who beat our target of 96%.

Attendance in a school year	Days missed	Hours of learning lost (6 hours per school day)
100%	0 days	0 hours
95%	10 days	60 hours
90%	19 days	114 hours
85%	29 days	174 hours
80%	38 days	228 hours
75%	48 days	288 hours
70%	57 days	342 hours
65%	67 days	402 hours
60%	76 days	456 hours

Please read our Attendance Guide - the full updated Attendance Policy can be found on our website. Our aim is for every child to be in school every day - with a target of **at least 96% attendance**. Please note that holidays in term time will only be authorised in exceptional circumstances - we need to receive notification (by filling in the form on the website/from the School Office) two weeks prior to their absence.

1 - If your child is off for a medical reason, please can you bring the appointment letter/card or medication into the office so that we have a record of this. Thank you.

Award winners

Every week the staff look out for those children who are just that little bit extra special in the current week to award them one of our **Achievers Certificates**. It might be for lots of effort, fantastic presentation, super learning behaviour, lovely manners, being extra helpful or just that bit more determined than the others to finish their work accurately. They might just be an outstanding all-rounder. Congratulations to this week's achievers :)

YR: Aisha and Oscar

Y1: Naila and James

Y2: Franky and Charlotte P

Y3: Callie and Zane

Y4: Adeline and Nevaeh

Y5: Garry and Jacob

Y6: Phoebe and Emily

Team Points

The team with the most points this week are the UNICORNS.

Headteacher's Awards

*I will be awarding children across the school with a special certificate in our Celebration Assembly on a Friday who have demonstrated our school's **I CAN values - Inspire, Challenge, Achieve, Nurture.***

Inspire - Logan (YR) for being a superstar at lunch times.

Challenge - Lily T (Y3) for her excellent art work in her brand new sketch book.

Achieve - Tommy- Joe (Y6) for making a great start to Y6.

Nurture - Belle (Y6) for always being there to help at lunch times.

Reading Stars

*Well done to this week's book winners for reading AT LEAST 3 times per week at home.
Please can we ask parents/carers to sign your child's reading record so that we can see
that they have read at home with you and return it on a THURSDAY. Thank you.*

*We have been really pleased with the increase in the number of children reading at home -
thank you for your support.*

Lyme Superstars

Our amazing children always love to share how they are demonstrating our ICAN values outside of school. This year we will be sharing their achievements on the newsletter! Please encourage your child to bring in their trophies, medals and certificates.

Home Learning

We are now no longer using Timetable Rockstars. To access activities to support your child with maths at home please use the wealth of activities on Purple Mash and/or activities such as Hit the Button <https://www.topmarks.co.uk/maths-games/hit-the-button> which will help with learning timestables.

If you have any questions, please speak to your child's class teacher.

Pupil Leadership updates

Well done to the members of our new Pupil Leadership teams!

Picture News

As a gold Rights-Respecting School, our children discuss different issues each week using Picture News. This week's Picture News was all about the following question: Do we all have a part to play in helping those in need?

TAKEHOME

Do we all have a part to play in helping those in need?

In the news this week

UK Prime Minister Andy Bingham has pledged that, by Christmas, everyone sleeping rough in England will be offered a safe place to stay. Accommodation will be found to end the need for sleeping rough. There will also be practical support for any health needs, as part of a £442m investment.

Things to talk about at home ...

- Share your response to the pledge that no one will be sleeping rough this Christmas.
- Can you think of some different ways that people can help others in their local communities?
- Can you share a time when you needed help from others? What help did you need and who helped you?

Please note any interesting thoughts or comments

Share your thoughts and read the opinions of others
www.picture-news.co.uk/discuss

British Values

I Really Do Matter!

Individual Liberty

Rule of Law

Democracy

Mutual Respect and Tolerance

Which British value do you think this week's story highlights?

Democracy is shown because the government is taking action to address homelessness and make decisions that support people across England.

This story highlights **Mutual Respect and Tolerance** by encouraging us to accept others, show kindness and treat people as we would wish to be treated.

Do you agree with either person, or think something different?

© Picture News 2020

Protected Characteristics

Sex

Who People Love

Age

Which protected characteristic do you think this week's story highlights?

Homelessness can affect people of all **ages**. Anyone facing homelessness should be protected from discrimination, no matter how old they are.

Disability

Being Yourself

Marriage and Civil Partnership

Pregnancy and Maternity

Race

Religion or Belief

Safeguarding

-
- ***The school car park, is for staff only. Parents are not allowed to park or turn around in it.***
 - ***If your child(ren) are late, they must be signed in by an adult and not left to come into school by themselves.***
 - ***If someone different is collecting your child from school, you must contact the office so that the staff are aware when dismissing the children.***
 - ***Please do not park over resident's drive ways on Lyme Street as they need access at all times.***
 - ***If you are picking children up from KS1 AND KS2 at home time, please wait on the KS2 playground after collecting children from Y1 and Y2 as it is causing an issue for staff when leading Y3,4, 5 and 6 out.***
 - ***Can we also ask that vapes are not used on playground - we are a no smoking site.***
-

Healthy snacks

*In **KS2** the children can bring a healthy snack to eat at break times. This includes: breakfast bars, brioche, fruit (fresh and dried), vegetable sticks, yogurts, cheese strings, bread sticks. We will offer any children who bring snacks such as chocolate and crisps an alternative of a piece of fruit.*

*Children in **EYFS and KS1** will still be able to have milk (if you choose to pay for this) and fruit each day.*

*As we are a **NUT FREE** school, please check the ingredients before sending foods into school for snacks and lunches. Thank you for your understanding.*

Benedict's Law

Allergy Statutory Guidance for Schools

Explained to Parents

At Lyme Community Primary School, we take food allergies and the safety of all our children very seriously.

Here's what you need to know about Benedict's Law and how it helps keep your child safe at school.

What is Benedict's Law?

Benedict's Law (part of the Children and Families Act 2014) makes it a legal requirement for schools to take all reasonable steps to prevent children from having a serious allergic reaction in school.

It means we must have effective systems in place to manage food allergies and reduce the risk of exposure to allergens.

What this means for our school

- ✓ We have clear policies and procedures for managing allergies.
- ✓ Staff are trained to recognise and respond to allergic reactions.
- ✓ We work closely with parents to gather and update allergy information.
- ✓ We follow guidance on food, activities, trips and celebrations to keep all children as safe as possible.

How we manage allergies

- ✓ We ask for detailed information about your child's allergies when they start school and regularly update this.
- ✓ We use allergen-safe practices in food preparation and at mealtimes.
- ✓ We have procedures for using emergency medication (such as an adrenaline auto-injector) if needed.
- ✓ We teach children about allergies and encourage a supportive, inclusive school environment.

How you can help

- ✓ Keep us informed about your child's allergies and any changes.
- ✓ Provide a current care plan and medication (if required).
- ✓ Talk to your child about their allergies and the importance of not sharing food.
- ✓ Support us by avoiding sending foods containing allergens into school (e.g. birthday treats).

Thank you for working with us to keep all our children safe, happy and healthy.

See below our targeted Autism Learning Programmes, for a more in-depth look at and understanding of Autism.

Autism Learning Programme - Face-to-Face

This Autism Learning Programme has been designed to support and empower parents and carers in their understanding of how autism is experienced by children and young people, providing learning, guidance and strategies to better support your child/young person. The programme is for Liverpool and Sefton parents and is in partnership with Alder Hey NHS Trust, commissioned by NHS Cheshire & Merseyside. Priority will be given to those whose child or young person has received a diagnosis of autism but places will also be offered to those who are waiting. **Please select the appropriate programme specific to the age of your child:**

Preschool and Primary (3-10 Years) or Tweens and Teens (11-18 Years)

[Contact us to register](#)

Preschool and Primary Programme

Wednesdays during the school day

Friday 23rd October: School closes for half term

Monday 2nd November: School opens for Autumn Term 2

Water bottles

Please can all children bring a filled water bottle to school each day. This should be separate from the one they bring with their lunch boxes.

OPAL updates

For those families who are new to school, here is some information about what OPAL is.

*The **Outdoor Play and Learning (OPAL)** Primary Programme is the result of over 20 years of testing and development in over 800 schools and has been used in many countries across the world. It is a programme to improve opportunities for physical activity, socialisation, cooperation, coordination, resilience, creativity, imagination and enjoyment through improved play.*

OPAL is based on the idea that, as well as learning through good teaching, your children also learn when they play. As 20% of their time in school is playtime, we want to make sure that this amount of time (equivalent to 1.4 years of primary school) is as good as possible.

There are many proven benefits for schools that carry out the OPAL Primary Programme. They usually include: more enjoyment of school, less teaching time lost to disputes between children, fewer accidents and greatly improved behaviour.

*There are certain things children **must** have to be able to play. These include:*

- Having clothes that they can play in.*
 - Having things to play with.*
 - Having a certain amount of freedom.*
-

Your children may get a bit messier, be exposed to more challenges and have greater freedoms to play where, with whom and how they like. The experiences this will offer are

essential for children's physical and mental wellbeing and are in line with all current good practice advice on health and safety, wellbeing and development.

For more information visit: <https://outdoorplayandlearning.org.uk/>

Our OPAL provision is really growing! Look at the latest areas that has been set up for the children to use at lunch times!

It has been wonderful to see the children using their creativity in their play and building fantastic dens this week!

This half term's donation requests! Please drop them off at the office or speak to me on the gate. Thank you for your support.

A few reminders....

Thank you for your support.

And finally...

The sun was shining on Monday when members of Mrs. Houghton's family and friends joined us at school. Her husband cut the ribbon on the beautiful quiet area we now have on the playground dedicated to our much loved teacher and friend. This area will be a place for our children - and staff - to sit, to read, to enjoy the surroundings and to remember Jayne - the heart of our school.

Thank you for your support, as always.

Have a lovely weekend.

Mrs. Roberts
