

Dear Customer

Important roadworks information
A14 eastbound junction 51 exit slip road – resurfacing

I am writing to tell you that we plan to carry out resurfacing work on the A14 eastbound junction 51 exit slip road. Once complete, drivers will benefit from the A14 remaining in a safe and serviceable condition.

We plan to complete this work over **one night** on **Tuesday 27 January 2026**. We will work between **8pm** and **6am**, weather permitting.

Closures and diversions

To carry out the work safely, we will need to close the A14 eastbound junction 51 exit slip road and divert traffic as follows:

- Continue eastbound to junction 52, take the exit slip road.
- At the roundabout, take the fifth exit
- Join the A14 via the entry slip road.
- At junction 51 take the exit slip road, where the diversion ends.

A map of the diversion can be found below.
