

*Working Together in Partnership*

## **End of Year Report**

Thank you for working in partnership with staff to support your child to do their best and achieve success across the curriculum.

As in previous years, the school report for the end of this year has been incorporated into an individual Learning Journey. They have brought this Learning Journey home today. This has grown as an important record of your child's progress in English, Maths and personal development, highlighting successes and next steps along the way. We hope it has been a helpful tool to enable the children to discuss their progress with you at our open learning sessions and provide a clearer insight into support you may be able to give at home. Teachers have found the comments recorded by parents a useful part of reviewing children's learning throughout the year. Take time to read through the reviews in their Learning Journey and reflect together on the progress your child has made. Please spend time with your child celebrating their successes. You have already received your child's final end of year report. This is based on the progress your child has made throughout the school year and it explains if they are working within the age-related expectations for their year group and the things they need more help with. It also includes attendance information.

Each report contains overview information about...

- the topics covered this year
- personal development, including behaviour, effort and relationships
- attainment in all curriculum areas
- wider curriculum strengths
- how you can help at home over the summer

**We are aware that some children have families who do not live together. In such circumstances, we expect the parent receiving the Learning Journey initially, to ensure the children pass it on to the other parent as soon as practically possible. It will be extremely important that the children have an opportunity to share their Learning Journey record with both parents.**

If you have any questions about the content of the reports, please contact the office to make an appointment to speak to your child's class teacher before the end of term. **It is important that you acknowledge receipt of your child's report and any comments here:**
