

## **February Half Term Learning Homework**

This half term, you have learnt about the following areas of the curriculum:

- Geography – Physical Processes: Earthquakes, Mountains and Volcanoes
- Science – Habitats: Life Cycles
- Maths – Multiplication and division, fractions
- PSHE – Diversity and Community
- Art – Drawing: Frieda Kahlo
- English – A Midsummer Night's Dream; I'm Not a Label; synopsis of A Midsummer Night's Dream; formal letters of application
- RE – What spiritual pathways to Moksha are written about in Hindu scriptures?
- French – Friends and Family
- Computing – Databases
- Music – Madina Tun Nabi - singing
- PE – Basketball and dance
- Curriculum Enrichment – Forest Schools, Religion Day at Copdock, Safer Internet Day

Using the A3 piece of paper provided, produce a poster all about this half term's learning to recall what you have learnt in all areas of the curriculum over the last six weeks. Be creative with the way you organise your poster so it is **bright** and informative. You can use text boxes, titles, pictures, diagrams, **colours** and computer-generated text. Please make sure that it is neatly presented and your spellings are correct. You can use the curriculum map with this assignment.

If you would prefer to use the computer to produce your poster, then please use Google docs and 'hand in' so I can print off at school.

Complete and bring into school **AFTER HALF TERM on FRIDAY 27TH FEBRUARY 2026.**
