With 6 different music centres across the City of Manchester, offering a variety of music activities and a wide range of music styles including rock, folk, pop and classical bands & orchestra for all abilities, we encourage children and young people to come along and explore where music can take them!

The Music Centres are run by One Education Music with the support from Arts Council England. If your child already plays an instrument or would like to come and have a go at learning an instrument, please don't hesitate to visit us. Families are welcome to visit a centre and come and find out what the Manchester Music Centres Community is all about.
