PRIDE IN PRESENTATION ROLL OF HONOUR

We are delighted to celebrate the very first winners of this school year's Pride in Presentation Roll of Honour!
These children have shown outstanding care, effort and attention to detail in the presentation of their work, consistently demonstrating our school's Pride in Presentation expectations.
Each child who earns a place on the Roll of Honour receives a special certificate and a golden pencil, presented during assembly in recognition of their achievement. Their excellent work is also proudly displayed in the Infant Hall for everyone to admire and be inspired by.
A huge congratulations to our first winners of the year. We look forward to seeing many more children join the Pride in Presentation Roll of Honour in the months ahead!

HOT CHOCOLATE WITH THE HEAD

Since the last edition of the Marlcliffe Mail, I have enjoyed several wonderful Hot Chocolate with the Head sessions with children from across the school.
It has been a real pleasure to spend time with Eleanor, Paisley-Mae, Ava, Theo and Eric from KS1; Cohen, Alice, Ines and Andrii from Y3/4; Alex, Amal, Alana, Zainab and Alara from Y5/6; and Sophia, Noa, Freya, Layla and Coen from KS1.
These sessions provide a fantastic opportunity to celebrate children's achievements, hear about their learning and interests and spend some time getting to know them even better. I particularly enjoyed hearing all about the Y3/4 trip to Creswell Crags and listening to the many exciting stories and experiences shared by the children.
Thank you to all of the children who have joined me for Hot Chocolate with the Head. It has been wonderful to celebrate your successes and enjoy our conversations together. I am already looking forward to meeting more children in the coming weeks.

REGULATION STRATEGY

Regulation Strategy

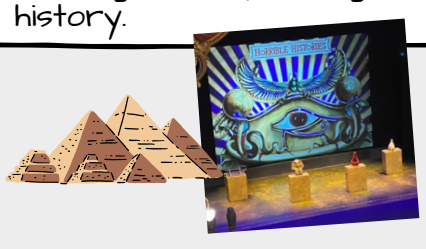

Learning how to manage feelings and emotions is an important part of growing up. At school, we teach children a variety of simple regulation strategies to help them feel calm, cope with challenges and develop resilience. We know that children benefit most when home and school work together, so we regularly share some of these strategies in our newsletters. We hope this gives families some helpful ideas to use at home, creating a consistent approach that supports children to thrive both in and out of school.

Y5/6 VISIT TO HORRIBLE HISTORIES

Year 5 and 6 recently enjoyed an exciting trip to the Lyceum Theatre to watch Horrible Histories: Awful Egyptians. The performance brought their history learning to life in a fun, engaging and memorable way. Through a mixture of comedy, catchy songs and fascinating facts, the children learned all about the Ancient Egyptians, including their pharaohs, pyramids, mummies and daily life. The show combined humour with historical information, helping the children deepen their understanding of this important period in history whilst thoroughly entertaining them.

The children were a credit to the school throughout the visit. It was a fantastic opportunity to enrich their classroom learning and inspire a greater interest in history.

TAG RUGBY SUCCESS

Our tag rugby team had an outstanding day at a recent tournament. The children were exceptional throughout the event, remaining unbeaten in every match and demonstrating fantastic teamwork, determination and skill from start to finish. They represented Marlcliffe with great pride and were even praised by a member of staff from another school for their outstanding sportsmanship and positive attitude. Their excellent performance has secured them a place in the next round of the competition, which is a fantastic achievement. The team should be incredibly proud of themselves. They were a real credit to Marlcliffe and were outstanding ambassadors for the school both on and off the pitch.
