

21/2/22
A windy day!
 We talked about the windy weather and listened to the story 'Rosie's Hat'

The children decorated hats and used balloon pumps as the wind to blow them away.

Thomas tried the pump on his hat - it felt just like the wind!

The Tinies enjoyed the story 'The Red Kite'
They made their own red kites and had fun watching them fly.

Everyone joined in a windy day dance.
