The grand old Duke of York

Oh, the grand old Duke of York,
He had ten thousand men,
He marched them up to the top of the hill
And he marched them down again.

And when they were up they were up,
And when they were down they were down,
And when they were only half way up
They were neither up nor down.

They all marched up to the top of the hill,
With a hup, two, three, four, drilling their drill.

Oh, the grand old Duke of York,
He had ten thousand men,
He marched them up to the top of the hill
And he marched them down again.
And when they were up they were up,
And when they were down they were down,
And when they were only half way up
They were neither up nor down.

I'm a Little Teapot

I'm a little teapot short and stout.

Here's my handle and here's my spout.

When you hear my whistle, hear me shout:

'Tip me up and pour me out!'

Jack and Jill

Jack and Jill
Went up the hill
To fetch a pail of water
Jack fell down
And broke his crown
And Jill came tumbling after.
Up Jack got
And home did trot
As fast as he could caper
Went to bed
To mend his head
With vinegar and brown paper.
