# Homework

- Homework will be set on a Monday and returned the following Monday.
- Our school expectation for reading is a minimum of 4 times weekly. Please use the diary to write down which book your child has read, any words they found tricky and any feedback/questions you may have.
- Homework is linked to the topic or learning that is happening in class that week and is split into mathematics and phonics.
- Homework will not start next week but the week after.

# Help at Home

- **Reading** — planners checked daily. Pupils are expected to read at least four times per week and have their planners signed.
- **Willow Class library** - Your child will choose a book from our library to take home alongside a library book to draw or write about the book and their favourite part or character. This is not homework but an option to enjoy a story and inspire a love of reading for every child.

# Ready Steady Phonics

In phonics we use Ready Steady Phonics, a high-quality scheme across the whole of KS1 to ensure consistency and quality teaching.

We will send home reading books that are uniquely tailored to the level of reading and the sound your child is currently working on.
