Foreword

There's a real buzz around school as we head into the final stretch of the spring term. Our pupils continue to shine, proudly showcasing our school values through their learning, creativity and teamwork.

A huge thank you to everyone supporting us with the preparations for **FULFEST** - what a line-up! Excitement is building for our festival of talent on Thursday 11th June, where we'll celebrate the incredible abilities of both our pupils and staff.

This edition of the newsletter is jam-packed with videos and clips capturing children's learning, celebrations and digital outcomes. Do look out for the images you can click on to watch these moments come to life.

Although the spring term is a little shorter, the brighter days ahead mean we can enjoy our wonderful outdoor spaces even more. We look forward to welcoming families to our Easter Egg Hunt and to seeing our Year 4 and 5 pupils take to the stage for their Easter performance.

Stars of the week!

Lewis Thompson-Fisher, Annie Faircloth, Savannah Brown, Koby Cheshire, Henry Pickering, Lucas Smith, Esme Woodhouse, Harry Pate, Remi Kelsi, Finley Gittings, Charlotte Thompson, Georgie-Rae Waterhouse, Aria Owen, Sammy Ricketts, Orla O'Farrell, Liam Standish, Oscar Stilgoe, Jude Beeston, Talilah Cooke, Amelia Morris, Talilah Cooke, Lexi Everiss, Donnie S, Freddie B, Chizaram Nduka, Kailen Keay, Orlaith Doherty, Freddie Floyd, Ava Green, Evelyn Henaughan, Maisie Ansell, River Street, Eleanor Jackson, Fynn Pitcher,

Our Star of the Week certificates are always awarded in recognition of our school values, which are at the heart of everything we do. They celebrate children who consistently demonstrate these values through their learning, friendships and attitudes.

Why not ask your child how they show our values each day — not only in school, but at home and through their hobbies too? We love seeing how these positive choices help our pupils grow into confident, caring and responsible individuals.

Love of Learning...

- dream big, have a thirst for learning and achieve your ambitions...

Encouraging...

- to be supportive of yourself and others and value everyone's ideas...

Adaptable...

- being versatile, creative and being prepared to take risks...

Determination...

- being resilient when the going gets tough...

Celebrations - what we've been up to

New Headteacher Celebrations

We're pleased to share that, following Miss Davies' retirement this summer, our current deputy head, Miss Sturch, has been appointed as head teacher. This is wonderful news for our school community and will ensure a seamless transition and continued stability for our pupils. Here is a letter from Miss Sturch:

Dear Parents, Carers and Pupils,

I am writing to you to share how delighted and honoured I am to be leading Fulfen Primary School as Headteacher from September 2026. Since joining the school community in April 2024, I have had the privilege of getting to know the children, staff and families, and it has quickly become clear that Fulfen is an incredibly special place to be.

From the moment I arrived, I was struck by the warmth, enthusiasm and strong sense of community that runs through the school. The children's curiosity, kindness and pride in their learning are a credit to the dedicated staff and supportive families who work so closely together. It has been a joy to see the values of the school lived out every day, both in and beyond the classroom.

At the heart of my approach to education is a belief that every child deserves to feel valued, empowered and fully supported throughout their educational journey. I am passionate about creating an environment where all children are encouraged to be confident learners, to challenge themselves, and to believe in their own potential. Ensuring that every child feels listened to and cared for will always be central to my work as Headteacher.

As I look ahead to September and beyond, I am committed to working closely with pupils, staff, parents and carers as we build on the school's many strengths and continue to provide the very best education for all our children.

Thank you for the warm responses I have already had. I very much look forward to all that we will achieve together.

Yours sincerely,

A handwritten signature in black ink that reads "M Sturch". The signature is written in a cursive style.

Miss M Sturch

Celebrations - what we've been up to

Safer Internet Day 2026

This year, the focus of Safer Internet Day was "Smart tech, safe choices - Exploring the safe and responsible use of AI". As a digital school, our online safety and digital literacy curriculum is embedded in everything that we do, but this week, we all had a focus on using AI and technology responsibly. Here are some of the activities from across the school this week:

AI Voice Assistant	Humans
<ul style="list-style-type: none"> Turn off lights without touching the switch Play music Set alarms Tell me facts <p>Correct! 1 Try</p>	<ul style="list-style-type: none"> Cook dinner Give me hugs Have feelings <p>Correct! 1 Try</p>

to: We are learning to identify uses of AI that are safe and responsible or a misuse.

Okay 😊	Not Okay 😞
<ul style="list-style-type: none"> Use AI to play an episode of your favourite cartoon. Use AI to get some tips for a game you like playing. Use AI to tell you a fact about your favourite animal. Use AI to play your favourite song. Use AI to play some funny noises. <p>Correct! 1 Try</p>	<ul style="list-style-type: none"> Make a picture using AI and telling everyone you created it. Use AI to change a picture of your friend so they look silly. Use AI to tell a mean joke about someone in your class. Use AI to write a story for your homework and telling your teacher you wrote it. Ask AI to play a scary video. <p>Correct! 1 Try</p>

Summarise how you know if AI is being used in a positive or negative way:

Positive is where you're inspired by stuff and interested so you want to create something like it so that shows being positive.

Negative is where you ask AI to make a lie about something or you ask AI to do your homework for you.

Our youngest pupils are learning to understand that an AI voice assistant is not a real person while our older pupils are starting to critically evaluate the ethical implications of AI use.

For each headline example, complete each column to explain how it shows the curiosity gap.

Image	How does this headline refer to something you already know about?	What knowledge gap does this headline say it will fill?
<p>Go Ahead and Play that Video Game: It's Might Actually Be Good For You</p>	It talks about video games which I have seen but don't play.	It's going to tell me what is good about playing video games.
<p>You Should Never Brush Your Teeth Without This Trick</p>	I brush my teeth two times every day.	It's going to tell me what is the trick for brushing your teeth.

Celebrations - what we've been up to

Year 2 Focus – Digital Creations!

Our Year 2 pupils have been getting creative within their Geography topic with typed up reports and dynamic videos to demonstrate their learning. Click on the images below to watch their videos or take a closer look at their reports:

Australia By Olivia

Sydney Landmarks
Have you ever wondered what it's like in Sydney?
Sydney is full of special landmarks like the Sydney Harbour Bridge. When they were building the bridge section men died and took eight years to finish.
You can drive across the bridge, walk to the other side and even climb at the top of the bridge! The Sydney Harbour Bridge is also known as the coat hanger because of its arched steel shape.

Introduction
This non-chronological report is all about Australia. In this report you will find out about the Great Barrier Reef, Sydney Landmarks and unique animals.

Unique Animals
Kangaroos and koalas are one of the most popular animals in Australia.
Koalas like to munch on yummy, juicy eucalyptus leaves and climb big, tall trees.
Can you believe that Koalas can sleep up to twenty-two hours? Kangaroos can leap over three metres and they live in the Outback.

Did you know?
That most animals in Australia are marsupials?

The Great Barrier Reef
Would you like to visit the Great Barrier Reef?
The Great Barrier Reef is about roughly the size of seventy million football fields, and it will take whole day to travel one side to another.
People travel all over the world to see the amazing Great Barrier Reef.
The Great Barrier Reef is located off the coast in Queensland.
This wonderful place is an under-water paradise would you like to explore the Great Barrier Reef?

Did you know?
That Sydney Opera House has a light show?

Australia By Ruby

Sydney Landmarks
How would you feel if you saw Sydney Opera House or Sydney Harbour Bridge? Did you know that the Australia people call it the coat hanger. On the bridge there is a path, a train track and you could climb over the bridge. Why do so many people visit Sydney Opera House? Did you know that Sydney Opera House is the most popular building in Australia.

Introduction
This non-chronological report is all about Australia. In this report you will find out about the Great Barrier Reef, Sydney Landmark and unique animals.

Unique Animals
Did you know that kangaroos and koala baby's are called joeys? Kangaroos can't move backwards because of their really long tails. There is more kangaroos than people and there is 35 million people. Koalas are nocturnal. They eat eucalyptus leaves and they can be poisonous for other animals.

Did you know?
Did you know that rugby, football and cricket are the most popular sports in Australia?

The Great Barrier Reef
Why do so many people visit the Great Barrier Reef? The wonderful Reef has over 9000 species of coral. Did you know that the Great Barrier Reef is the only reef that can be seen from space? The Great Barrier Reef is a stunning underwater paradise located in Queensland. It roughly 70 million football fields!

Did you know?
Did you know that Uluru is not the biggest rock in the world but the second biggest rock in the world?

The Great Barrier Reef

Australia By Freddie B

Sydney Landmarks
Have you ever wondered what the Sydney Opera House and Sydney Harbour Bridge look like? Let's explore both magnificent landmarks. The Sydney Harbour Bridge is the biggest steel arch bridge in the world and there are many ways to cross the bridge like walking, driving with a train and you can go under with a boat and go over it too!

Introduction
This non-chronological report is all about Australia. In this report, you will find out about the Great Barrier Reef, Sydney landmarks, unique Animals.

Unique Animals
Did you know kangaroos and koalas are the famous animals in Australia? Kangaroos can jump 3 metres high! This is because of their powerful legs and balanced tail. Koalas are nocturnal, sleep up to 22 hours. They like to eat green, crunchy eucalyptus leaves.

Did you know?
Uluru is the 2nd largest rock in the world!

The Great Barrier Reef
The Great Barrier Reef is the largest reef system in the world and is the size of 17 million football fields. There are 9000 million different types of coral in the reef. Did you know you can see the Great Barrier Reef from space! There are lots of fish like the angelfish, clownfish and turtles too. Would you want to see the magnificent Great Barrier Reef?

Did you know?
Baby koalas joeys eat their moms poo?

Celebrations - what we've been up to

Champions!

Our Fulfen Y3/4 boys enjoyed a fantastic afternoon at a recent football tournament at EDA. The team showed outstanding teamwork, determination and resilience throughout the competition.

Across 7 games, they conceded just three goals and played with spirit throughout.

Their hard work and perseverance paid off as they progressed to the final – and were deservedly crowned champions! We are incredibly proud of all the players for the way they represented our school. Well done, team! Click on the image to see their celebrations.

Feel Good Friday

We ended the half term with another fantastic Feel-Good Friday, with a focus on our wellbeing and communication. Classes explored Children's Mental Health Week through a creative Belonging Mosaic activity. Each child contributed a decorated piece, showing how every individual is an important part of our school community.

Alongside this, children built on their British Sign Language skills, revisiting greetings and finger spelling before learning how to share their name, age and numbers. Many pupils enjoyed recording their signing and celebrating their progress. It was a calm, reflective day that celebrated connection, confidence and feeling valued. Here are some of our Year 4 sign language videos:

Useful Information & what's coming up

FULFEST - Preparations are underway!

Preparations for **FULFEST** are in full swing! Miss Davies and Mrs Shermer have chosen an incredible line-up, and we even have some very brave teachers ready to take to the stage and wow the crowd.

Expect a fantastic mix of singing, dancing, musical performances and even some impressive geography skills! With both group and solo acts from children across Year 1 to Year 6, the excitement is building fast.

It's shaping up to be a joyful celebration of talent, confidence and school spirit - the vibes are going to be amazing!

Included in the line-up, we have Chizaram, Lilly, Olivia, Evie-Lou, Isabelle, Daisy, Sophia, Harmony, Isabelle, Olivia, Skye, Freddie, Jack, Freddie, Bobby, Megan, Romany, Lenny, Freya, Amelia, Bella, Harriet, Chloe, Siena, Amelia, Ava, Avah, Eve, Jessica, Thea and Tess! The teacher acts will remain top-secret until the night!

So, make sure you've got Thursday 11th June in your calendar as this is will be the event of the year and should not be missed! This will be a ticketed event on a first-come, first-served basis. There will be a small charge for parents, but accompanying children will get in for free.

Watch this space for more information!

Useful Information & what's coming up

World Book Day – 5th March

We're excited to celebrate World Book Day with a full day dedicated to reading for pleasure!

Children and staff are invited to **dress up as a favourite book character**. Costumes can be simple and homemade - creativity is encouraged, but please don't go to huge expense. Please remember suitable footwear for a normal school day.

Throughout the day, pupils will enjoy a range of fun reading activities including cosy reading time, sharing favourite books with friends and exploring different types of books together.

All children will receive a World Book Day book token, which can be exchanged for a special World Book Day book at participating bookshops or supermarkets.

In the afternoon, older pupils will visit younger classes to share and read books together. Older children are welcome to bring a favourite book from home that they feel confident reading aloud to a younger pupil

Children may also take part in additional activities such as book quizzes, book trailers or book-themed challenges.

We look forward to a joyful celebration of stories, imagination and reading!

Park and Stride!

The Nags Head pub on Rugeley Road have kindly agreed to allow parents to use their carpark from 8:15am and from 3:15pm so they can park and walk the short distance to collect their children from school.

Hopefully this will relieve some of the pressure on parking around the school premises at the start and end of the day.

Useful Information & what's coming up

Easter Egg Hunt Reminder

The eggs are ready and the tickets are selling fast! Tickets are only £4 and include a chocolate egg for every child joining in the hunt – visit ParentPay to book your place.

The hunt will take place after school on Tuesday 24th March for families to join their child to solve the clues. All children taking part **MUST** be collected from school and take part in the hunt with an adult. If it's raining, bring a brolly – the Easter Bunny will be making an appearance whatever the weather!

There are clues suitable for all ages so everyone can take part. Tickets are limited, so get yours before they all go!

If you're feeling peckish, bring some pennies as we will also be selling homemade treats on the playground. You'll also need spare change if you want to enter the competitions that we'll be holding during the event.

NB The staff carpark will be closed for the duration of the hunt to ensure the safety of all our families as they leave with their Easter goodies.

Children who attend Fulfen Club will also be able to take part in the hunt – but they will be doing this within Club to ensure that Club staff know exactly where they are at all times.

Feel Good Friday and Red Nose Day

On Friday 20th March 2026, we will be holding our next Feel Good Friday! This will be a super-busy day as we'll have our reward afternoon, feel-good Friday activities AND it's also Red Nose Day! As always, children are invited to come to school in non-school uniform at no charge. Red noses and other merchandise or any item of red clothing can be worn to school on this day if your child wishes to do so. We will not be selling merchandise, but any donations can be made directly to Comic Relief via ParentPay.

Love of Learning... Encouraging... Adaptable... Determination...

Useful Information & what's coming up

Please Help to Protect our Purple4Polio Crocuses!

It looks like some of our beautiful spring crocus flowers have been picked or damaged on the way into school. These flowers were carefully planted by our pupils to support [Rotary International's Purple4Polio campaign](#), which raises awareness of the global effort to eradicate polio.

We kindly ask everyone to enjoy the flowers as you arrive and leave school, but please help us protect them by not picking or trampling them. This will ensure they can continue to brighten our grounds and be enjoyed by the whole school community.

Revive Festival of Wellbeing – held at Fulfen

On **Sunday 22nd March** Fulfen Primary School is proud to be hosting the Revive Festival of Wellbeing, a community day bringing wellbeing to the heart of Burntwood.

Families can explore over 20 local wellbeing practitioners and organisations for free, including therapists, relaxation and pampering specialists, breathwork coaches, nutritionists and community support services. Please book a free General Admission ticket so we can manage numbers on the day. [BOOK HERE.](#)

We are especially excited that Mama UK and Matt Fiddes Martial Arts will be delivering children and family-focused sessions in yoga, mindfulness and martial arts. Spaces are limited, so early booking is recommended and places are just £3 to help cover costs of the event.

Additional bookable taster sessions will take place at Fulfen, Revive Yoga and Wellbeing Studio in Chasetown and online, covering yoga, breathwork, nutrition and more.

All funds raised support Fulfen Primary School and Revive Community Interest Company supporting local community wellbeing initiatives.

Please see the leaflet on the following two pages for further information:

Revive Revive Festival of Wellbeing

Bringing wellbeing to the heart of Burntwood

A community-led, not-for-profit event designed for children, young people and adults to pause, breathe and reconnect. Whether you're looking for calm for the whole family or time to slow down and focus on you, Revive offers a welcoming space to explore wellbeing in a friendly, supportive environment.

 Fulfen Primary School & Revive Yoga & Wellbeing Studio + Online

Can you help?

Our ambassadors are collecting! This is an ongoing project, so please contribute when you can:

Cannock & District
Foodbank
Together with Trussell

**FEED A FAMILY,
CHANGE A LIFE**

Millions go hungry every day. Your contribution helps us distribute food to families in crisis.

Fulfen Eco Ambassadors and Burntwood Rotary are helping collect food for the Cannock & District Foodbank . The Foodbank are in desperate need of tinned and packet food items.

Please can you share any spare food with other families in Burntwood.

We have a basket by the school office where the Ambassadors will be collecting the food.

Thank you

Useful Information & what's coming up

Online Safety Focus

Disturbing figures from the National Crime Agency show that child sexual abuse is soaring. Specifically, here in the UK, police are arresting around 1,000 suspects each month and the number of children being rescued from harm has risen by 50% in the last five years. The NCA have found that most contact initially happens via gaming or social media platforms and offenders are continually finding ways around in-app controls. The full National Crime Agency article can be accessed [here](#), and parents can find further support and guidance for keeping children safe online [here](#).

In school, our online safety lessons discuss the importance of a healthy balance when it comes to screen time. Further support on helping your child become digitally resilient as they get older can be found [here](#) in an article and resources (some aimed at older children) from BBC Bitesize.

Year 4 and 5 Easter Performance!

Children in Years 4 and 5 are busy rehearsing for their upcoming production of Spring Chicken, The Musical ready for their performances on Wednesday 25th (pm) and Thursday 26th (am) and excitement is definitely building! This lively show follows the feisty Chickalita, a determined young chicken with big dreams and the courage to chase them.

Packed with catchy songs, energetic dancing and plenty of humour, the story celebrates friendship, perseverance and believing in yourself. Audiences can look forward to a wonderfully quirky cast of characters, including dancing flamingos, a mischievous grandma, a business-minded goat and many more surprises along the way.

Pupils are working incredibly hard to bring the story to life on stage, and their enthusiasm is already shining through. It promises to be a joyful, feel-good performance — a true “eggs-travanganza” you won’t want to miss!

Parents will receive an email regarding tickets in the run-up to the performance.
