

W/C 21.09.26 - Incredible You

This week we will continue to focus on ourselves. We will be concentrating on our body parts learning to name them and understand what we use them for e.g. legs can be for running. The children will also have the opportunity to practise their fine motor skills by drawing their own bodies under their pictures.

Book of the Week

Our book this week is 'Incredible You!' by Rhys Brisenden.

The children will have an opportunity to share which animal they would like to be and why. We will then draw the children's attention to how incredible they are just as themselves.
