

# PROSPECT VALE GAZETTE

We care, we strive, together we thrive

2025/26 EDITION 33 > Friday 12.06.26

## A Warm Welcome Back!

I would like to extend a very warm welcome back to all of our families after the break. It has been absolutely wonderful to see the children's smiling faces filling the corridors once again, and I have loved hearing all about their fantastic holidays and adventures.

We have hit the ground running, and school is already buzzing with energy as we enter another busy term.

## Building Project: Pardon Our Progress!

If your children have come home and mentioned that school is missing a few ceilings, I can assure you they aren't pulling your leg! Over the holidays, major building works officially commenced, which involved safely taking down many of our old ceilings. While the heavy-duty projects will continue over the upcoming holidays.

**Safety First:** Please rest assured that all health and safety checks have been thoroughly completed, School remains safe for everyone—we just have a slightly more "open-plan" look in a few areas at the moment! It is a very exciting project that will transform our school environment.

## Looking Ahead: Sports Days

Next week, our excitement builds as we kick off our annual Sports Days!

**Next Week:** Early Years (EYFS) and Key Stage 2 (KS2) Sports Days will be taking place.

**Important Weather Notice:** As you know, the British weather can be unpredictable! The safety of our children is our absolute priority. If the field is wet, we cannot allow the children to race due to the risk of slipping and injury. Because of this, **all Sports Days are weather-dependent.** Unfortunately, if we do need to postpone, we may only be able to make that final safety call and notify parents **on the morning of the event.** We appreciate your understanding and flexibility with this.

We have a packed calendar full of other exciting events, trips, and activities coming up. To make sure you don't miss a thing, please keep a close eye on our school calendar. **Stay Up to Date:** You can view all upcoming dates and details on our website here: [Prospect Vale Events Calendar](#).

Thank you, as always, for your continued support, patience, and partnership.

Mr Redfearn, Headteacher

# Next Year's Classes & Transition Day

It is that time of year when our minds naturally start turning toward the new academic year ahead. You may remember that in our last newsletter we spoke about some fond farewells and shared that we had taken on some brilliant new recruits to our teaching team.

With that in mind, we are delighted to share our full teaching arrangements for September. Our teachers are already incredibly excited about meeting their new classes, getting to know the children, and starting this next chapter together!

## Whole School Transition Day: Thursday, July 2nd

To support the children with their upcoming move, we have a whole school transition day coming up on **Thursday, July 2nd**. ## Cheer Competition this Sunday

There is a big day coming up this Sunday when Prospect Vale enters two teams into the finals for the Pixie's Rec Showdown. 21 teams are entering and our children have worked their socks off in the run up to this competition. I know they are going to represent our school superbly.

Here's a picture of them in training below but we will have lots more after the event has taken place this Sunday in next week's Gazette. Thank you Mrs Hall for putting so much into this!

## Football Match Against Etchells

This week, some of our children represented the school in a football match against Etchells. What made their performance even more impressive was that we had children from Years 3, 4 and 5 competing against a team with many Year 6 pupils.

They showed brilliant teamwork, determination and resilience throughout, and it was fantastic to see how much they are developing as players. We are incredibly proud of them and know that they will continue to go from strength to strength.

I only had time to take a few quick snaps this week, but we will share a more detailed match report in next week's Gazette.
