

School Performance and Results 2026

Provisional results - October 2026

Our 2026 provisional outcomes show particularly strong performance in reading, positive progress across all three KS2 progress measures, and combined Reading, Writing and Mathematics attainment above the provisional national figure.

Key Stage 2 progress

Reading +3.15 Local Authority: +0.62	Mathematics +0.62 Local Authority: +0.57	Writing +0.44 Local Authority: -0.05
--	--	--

These provisional measures indicate strong progress from pupils' starting points, with reading a particular strength.

KS2 pupils achieving the expected standard

Measure	School 2026	National 2026	Difference
Reading, Writing & Mathematics combined	67%	63%	+4pp
Reading	80%	75%	+5pp
Writing	70%	73%	-3pp
Mathematics	67%	75%	-8pp
Grammar, Punctuation & Spelling	70%	74%	-4pp

Greater depth / higher standard

Reading 40% Greater depth	GPS 37% Greater depth	Mathematics 20% Greater depth	Writing 7% Greater depth
---	---	---	--

Headline: 67% achieved the combined expected standard in Reading, Writing and Mathematics, 4 percentage points above the provisional national figure.

Additional 2026 attainment highlights

A wider view of pupil outcomes across the school

Alongside the KS2 outcomes, several wider measures provide further evidence of strong attainment and improvement across the school.

Year 4 Multiplication Tables Check

School average	National average
23 / 25	21 / 25
2026	2025 comparator

Phonics

Measure	School	Comparator
Year 1 Phonics Screening Check (2026)	81%	National 80%
Year 2 resit: pupils passing resit	87%	20 of 23 pupils
Passed phonics by end of Year 2	90%	National 89%

Combined KS2 attainment over time

2024	2025	2026
58%	65%	67%
RWM combined	RWM combined	RWM combined

About these figures

All 2026 school figures shown are provisional. National KS2 comparators shown are provisional 2026 figures. The Year 4 multiplication national comparator is the 2025 national average. Final published school performance measures will be updated when available.
